Subject: Comment For Planning Board

Mr. Wright,

I will not be able to attend the Planning Board meeting to discuss the issue of the Floating Homes on the Walker Property, mentioned in today's paper.

I would like to voice my opposition to the project.

I believe the ROGO system is effective and in place to pace the growth of the community with available area. Just because someone found a loophole where current restrictions are not directly applicable, does not mean its a good community decision. When there's no more land area to fill, I believe setting a precedent to allow building out from our shores is a terrible decision.

I live in the neighborhood behind the Fairfield Inn, and 5th Street is busy enough. We don't need 75 more houses worth of traffic plopped into our neighborhood making our front door as busy as the WinnDixie\Home Depot intersections, blocks away.

Some people get paid to ask, for their customers and I understand that. I implore you and the board to not allow this, for the character and residents of our community.

Thank you for your time.

Sincerely,

Gabriel Price
1300 4th St.
Key West, FL.
