Good Morning Sam..

The Vietnam Living Memorial Fund, Inc committee board has voted unanimously in favor of (re)naming the pergola as ONE HUMAN FAMILY...and any plaque that would accompany same.

Respectfully submitted,

Jerry Hughes, VLM Spokesman

Here is a recent article in Keys Weekly regarding Stephen Mallory:

Also, attached are articles showing the connection between the pergola/Bayview Park and the Klan.

I hope this helps to show the importance of this issue. There are more documents I can share, but I do not want to overwhelm your group.

All the best,

Great – does the group need any more info from me about why this is being proposed?

To All VLM Board Members...

City Commissioner Sam Kaufman called me the other day indicating there is a group in Key West who have approached him to rename the Civil War pergola the ONE HUMAN FAMILY pergola.

The structure itself and the Daughters of the Confederacy plaque(s) on same will remain as is.

The pergola would have the name ONE HUMAN FAMILY placed somewhere on top of it and a separate plaque indicating the history of the Key West One Human Family mantra.

Sam has asked the VLM committee to vote on same.

Kindly record your Yea or Nay vote via REPLY TO ALL email.

My vote is Yea!

Thank you,

Jerry
