Subject: Tonight's vote on conversion therapy

Hi,

My name is Tara Hooper  
818 Simonton St  
Key West, Florida

I am writing as the mother of a Key West high school student and resident of Key West.  
My daughter considers herself Bi sexual and I support her in this and also support the ordinance that would ban conversion therapy.  
No child should be expected to renounce their sexuality regardless of the wishes of their parents.  
Protect our children!

Sincerely,  
Tara Hooper
