Kerstin Griffith,  
[717 Fleming Street](#) -  
[Key West](#), FL 33040  
tel [305 294 0144](#) / cell 305 766 4889  
American Citizen, (retired)  
dob July 10 1950  
Languages: English, Swedish, German, French, Italian

To Whom It May Concern,  
My name is Kerstin Griffith and my wish is to be considered for Key West Tree Commission.

Born and educated in Sweden, where I took my baccalaureate and studied law and medical tech. In 1973 I moved to Switzerland and worked for Swedish medical technical company Gambro for fourteen years. My work was as a "back gap" for the company's sales force worldwide. This work took me to all European countries, North Africa and the Middle East.

In 1996 I moved to the south of France where I lived for eight years with my family.

In 1991 we bought our first home in Key West and were "summer birds," becoming a permanent resident in 2004 with my husband Richard "Griff" Griffith, a WWII veteran and retired airline Captain.

I have three children all of whom are doctors and permanently living in England.

As a dedicated and enthusiastic member of our Key West community, I have taken part in the Ambassador program and the Police academy for Citizens, been a member of the Key West Woman's Club and have served on the board of the Key West Pops, where I was selected for an "Unsung Hero" award from CFFK.

I am always seeking new and better ways to serve my community. As I now have all the time needed, the Tree Commission is both close to my heart and a bit of my knowledge too, as I always have maintained beautiful gardens and greenery here and also in Switzerland and France. Our Key West foliage and canopy means a lot to me. They are the lungs of our city.

Please consider my application for this role. It would be an honor to serve on Key West Tree Commission.

Respectfully yours,

Kerstin Griffith
