Jim, I believe you are on the right track. Here are the few items I would need to see to determine conclusively you have a complete procurement package.

- Would like to see a copy of the bid submitted by Garber. The bid would allow the City to review the proposed prices for each scheduled item that was called for in the solicitation.
- Secondly, as we discussed we need "something from JAX" showing acceptance by the City of Jax Commission the recommendation put forward by the Award Committee. Perhaps a resolution.
- Need a quote from Garber, which presumably would tie to the Garber proposal to Bid# - SC-0288-12.

I will review the Exec Summary in a moment and comment if necessary.

Thx

Richard,
Per Mr. Finigan's e-mail to me below, I need a copy of the bid submitted by Garber that would allow the city to review the proposed prices for each scheduled item that was called for in the solicitation. I forwarded Mr. Finigan a copy of the your quote for our vehicles and I will call Marsha Williams or Gregory Pease to see if

there is a resolution from the city commission authorizing the acceptance of this bid. Thanks for you help with this.

For File.

I spoke to Marsha Williams today, January 27th from the City of Jacksonville regarding the bid award documents for police vehicles between Garber Fleet Sales and the City of Jacksonville. Ms. Williams informed me that the General Government Awards Committee form (GB-108) signed by the Mayor's designee is the only legal document required for the purchase of government vehicles from Garber Fleet Sales. She told me there is no formal resolution from the
