Subject: 2404 Seidenberg tree choices

I am emailing on behalf on Cindi Madiedo the owner to confirm that the tree removal is on the next tree commission meeting October 8th, 2019

The following are a list of trees (from your list) that she will choose from (not all) when the tree is removed and the site becomes easier to plan replanting

Jamican Caper

Spanish Stopper

Fiddlewood

Black Ironwood

Spicewood

Satin Leaf

As you can see several are attractive to birds, wildlife and bees and at least 1 tree will be "bird friendly"

Let me know if there is anything else you need from her

Thank you for your efforts to help with this tree issue
