Hello from sunny Key West! :)

Please familiarize yourself with ALL the information I have here to help both of us have a great experience with Airbnb.

CHECK IN TIME: 4pm (unless otherwise discussed)
CHECK OUT TIME: 12 noon

Feel free to call me if you need help finding your way here. If I am not home, that is okay, just find the key and go in! Even if I

and rates before submitting a reservation request.

I am here and the door is open, please just come in!
Out of respect for my neighbor, I would like to ask that you "do not disturb" my downstairs neighbor. Thank you very much!

About my place:

I'm in a two bedroom/two bath home upstairs in a quiet neighborhood. I have a private guest bedroom with a queen size bed and a private bathroom with a tub and shower available for you. I provide your 100% cotton linens. My kitchen, frig/freezer and living room are private, but you are welcome to hang out on the porch with 2 hammocks, a small couch and a round chair. This is also where you take your shoes off.

My space is peaceful, meditative and serene. I am happy to serve you fresh filtered water or tea if you need it. When available, I like to open fresh coconuts in the morning for all of us ;) I smudge my spare room every time my guests leave with Sage. I do this to clear out the old energy so you can relax and rest peacefully. The smell is usually gone by the time you get here, but if you are worried about a sensitivity to it, just let me know and I will not smudge the room before your arrival.

My small dog, Nella, is a sweetheart and goes everywhere I go most of the time.

I'm close to grocery stores and bike rental (if mine are not in good working order at the time). There are a couple of places to eat within walking distance. One is a fast food chain. Next to that is a local BBQ place I hear is really good. Goldman's is close and great for breakfast. Duval is 1.9 miles, so it's an easy bike ride through the back streets which are quiet and pretty with flowers, gorgeous trees and cute homes. I recommend getting around by bike to avoid traffic congestion and parking issues ;) I have 7.6 years of local knowledge so I can help direct you towards your goals for exploring Key West.

~~_/~~ I'm a sailor (professional sailing instructor), so if you want to go sailing while you are here, for a donation, I am more than happy to take you for a little adventure on the water! ~~_/~~

Please read ALL the information that I have put here on this site, House Rules, etc. Then once you "book it", please read the Directions and the House Manual so you will know my address, where the key to the house is hidden and the internet password. Thank you so much! Feel free to write and ask me any question you may have concerning your stay here. I feel lucky to have travelers from all over the world come stay in my home!

~Enjoy your visit to Key West~

~Please remove your shoes outside on my porch.

~Many times I am not here when you arrive. Feel free to go on in with the key (in hidden spot). If the door is open, come on in!

~Out of respect for my downstairs neighbor, please do not disturb him. Thank you very much!

~Refrigerator, Kitchen and Living room areas are for my personal use. So if you need refrigeration, may I suggest bringing an ice chest. If you have left-overs from a dinner out, please check with me if you would like to put them in the frig.

NOTE: I have a chemical sensitivity to synthetic fragrances like perfume and cologne, hair spray and aerosol room sprays. Please do not use any of these types of chemicals in my home, thank you. Your natural smell is quite alright with me :) Keeping my environment as natural as possible is something I know a lot of you will appreciate.

- ~Please keep your personal belongings secured in your room, bathroom or car.

- ~Please shut the door to your room completely when you venture out. (so my little dog Nella won't go in and find your food!)
- ~Please leave the house key in secret spot :)

NOTE: I have to emphasize how important it is that my house rules be respected. I have had a few people disregarding them and it's very disappointing for me. I feel I have made my house rules very clear. So reading everything here and understanding where you are staying should give both of us a great experience and great reviews. I would recommend re-reading everything right before you arrive to refresh your memory. It's nice to be able to come to Key West and not have to pay an arm and a leg for lodging. So thank you for honoring my house rules which helps me support Airbnb and all of you, who in turn supports me! ;)

I didn't have the pleasure of meeting Stephanie but she has an awesome clean home. And she was nice enough to give us suggestions where to eat via email. I would stay here again in a heart beat!

I did not meet Stephanie while I was there. I only stayed one night. But her place was clean & comfortable. I found the key when I got there & let myself in. The location is great. I took a cab to & from Duval & it was about a \$10 ride one way. It was a good location with all of the construction going on in Key West right now.

[Stefanie](#)

Unfortunately we did not get to meet Stefanie, but we had a good time at her place. Everything is just as described and the dog is really cute :)
Thank you Stefanie!

Thanks to Stephanie we could feel Key West atmosphere. Her place is quiet, comfortable and you feel very relaxed. Everything is close in Key West so we could really fast to drive from one side of Key West to another. Stephanie is very nice and kind. Her dog is very friendly :-)). I wish we could stay longer than 1 day. Thank you, Stephanie

Stephanie is a great host. Even though she was not there while we stayed in her apartment, she was very helpful in answering the questions we had. She also let us use the fridge. I recommend her to all Airbnbers! And Key West is great!

[Aurore](#)

Stephanie's place is the more peaceful place I have been during my 3 weeks road trip in the US. The room was very clean and the bed is comfortable.

[Ivy](#)

This place is clean and tidy. We had a great time in key west! The map Stephanie provided was very helpful. We were really glad we stayed there!

Response from Stephanie: Ivy, thank you for this note! I'm so happy to hear you had a wonderful time. All the best and you are always welcome back! Steph
