I approached Cobb and asked him what was going on. Cobb immediately became belligerent towards me and stated, "Fuck you." I had Cobb sit down on the bench and asked him for his identification. Cobb appeared intoxicated and was slurring his speech. He began to reach into his back left pocket and stated, "I have something for you." Cobb kept moving around and I was unsure if he possibly had a weapon or beer bottle, so I changed my stance to better see him. Cobb pulled out a black wallet and when I asked him for his identification, he threw his wallet at me. I told Cobb I just needed his identification and he then immediately jumped up from the bench and began to come towards me. Cobb was shouting "Fuck you," and appeared to have an aggressive manner. Based on my training, I felt Cobb's intention was to physically harm me and fight. I was able to push Cobb back and attempted to create distance between us. Cobb then took a punch at me, with a closed fist, and I tried to move out of the way. I was able to get myself back enough from Cobb that he did not punch me directly, however he was able to physically hit me in my mouth. I was not injured and was able to get back several feet from Cobb to deploy my Taser in the dart firing mode. I Tased Cobb and it was not effective. Cobb did not receive NMI and Cobb appeared to pull the probes out with his hands, and made the motion like he was throwing them into the road. I turned my Taser off and reloaded a new Taser cartridge. I requested backup over Key West Communications COM1. With my Taser pointed at Cobb, I gave him loud verbal commands to get on the ground. Cobb was still shouting obscenities at me and was non-compliant. I continued to tell Cobb to get on the ground and he still refused. Cobb then turned his body and made a sharp movement away from me. I believed Cobb was going to stand up and attempt to flee the scene so I deployed my Taser again. Both probes make contact with Cobbs back, and it did not appear to be affecting him. With my Taser still cycling, and the cartridge on, I used my Taser in the cartridge on drive stun mode to try and achieve NMI. Cobb was not handcuffed and he was trying to swing his arms and punch me to get away. Officer Murphy arrived on scene and we were able to escort Cobb forward off the bench and onto the ground. Cobb pulled his left arm underneath his body and held it to his chest. I delivered another cartridge on drive stun to Cobb's upper body to try and gain compliance from Cobb. Eventually Officer Murphy and I were able to gain control of Cobb's hands and he was secured in handcuffs.

KWFD Rescue was requested and responded to the scene because Cobb had been tased.

Radcliffe told Sergeant Castillo that Cobb was trying to start a fight in the area. Radcliffe also told Sergeant Castillo he witnessed Cobb punch me in the face and resist with officers.

While Rescue was trying to tend to Cobb and prior to him being transported to the jail, Cobb continued to resist and shout at officers. Cobbs was still using obscenities and telling officers he was going to fight. Cobb had to be kept on his side to prevent him from attacking officers or paramedics. Cobb was kicking his feet trying to hit me with them when I went to search him. After he was cleared by paramedics on scene, Cobb was secured in the backseat of my patrol car.

I transported Cobb to MCDC.

Upon arrival at the jail, Cobb refused to exit my car. Cobb would lean his body away from me and prevent himself from moving. Cobb is a larger individual and has approximately 80 to 100 pounds on me. I requested Deputies come downstairs to assist me in getting Cobb out of my vehicle. While still in the vehicle, Cobb was shouting "Fuck you," at me and the stated, "When I get out of jail and see you in the street, I'm going to fucking kill you." Cobb made threats towards me and my safety, Threats Against a Law Enforcement Officer, violation of F.S.S 836.12 (2), when he stated to me that when he is released from jail he's going to find me in the street and kill me.

With the assistance of Deputies, Cobb exited my vehicle.

I swear the above statement is correct and true to the best of my knowledge and belief.

Due to Cobb being tased, I tried to take pictures of Cobb inside the jail intake area. Cobb refused to comply with me and his arms had to be held and controlled by Deputies. As I tried to take photographs of Cobb for the incident report and RRI, Cobb kicked his foot up at me and was able to kick my hand. Cobb tried to kick the camera out of my control. I took what photographs I could but was unable to get close ups of any possible marks or photos of where he was tased. Cobb was not injured and he did not request or require medical treatment.

My BWC was active for the incident.

I entered the photographs, along with my BWC and Taser cartridges into property as evidence.

I charged Cobb with two counts of Battery on a Law Enforcement Officer, violation of F.S.S. 784.07(2)(B) for punching me in my face on scene, and for kicking me in my hand at the jail. I charged Cobb with Resisting Arrest With Violence, violation of F.S.S. 843.01, for actively fighting with me and trying to cause me physical harm while in the process of detaining him and performing my lawful duties. I charged Cobb with Resisting Arrest Without Violence, violation of F.S.S. 843.02, for refusing to comply. Cobb was tensing up his arms and trying to keep his hand tucked under his body to prevent officers from placing them in handcuffs.
