

THE CITY OF KEY WEST
City Office Bldg. 1449 Key West, FL 33441-1409 (305) 857-4700

To: Jim Scholl, City Manager
From: Sue Snider, Purchasing Agent
Date: 12/13/2016
Reference: Safe Boat

Pursuant to purchasing Code 2-844 relating to Brand Name Specifications, "Since use of a brand name specification is restrictive of product competition, it may be used only when the purchasing agent makes a written determination that only the identified brand name item will satisfy the City's needs."

Safe Boat is the clear choice for a CBRNE Vessel for the following reasons:

- The City already owns two (2) Safe Boats
- The brand has proven itself to be reliable
- The crews are familiar with this type of vessel
- The parts and service for all vessels come from the same place
- Safe boat is one of only two brands of Rigid Hull Inflatables that are made with an aluminum hull
- GSA pricing is available
