Erica

Based on information/deeds/documents that we have historically reviewed for Garrison Bight as well as the reasons that you have laid out in your letter dated October 10, 2016, we would not apply the reverter as stated in Deed No. 19259 as well as 19259-A for executing a deed in favor of the owner for the filled areas. Feel free to forward this email to your contacts at the city....thanks
