Bradly:

Attached is a copy of the Administrative notice that was mailed to your office. A copy was e-mailed to Kate Miano, property owner. You need to attend the meeting to discuss potential resolutions and penalties regarding the tree abuse work. Failure to attend the meeting may result in the file being forwarded to the Code Enforcement Special Magistrate.

I am still holding the pool permit application until the palms get shored up, as we discussed on site. The Tree Commission will require remedial work to protect the palms and may issue a fine and or planting on the property.

Sincerely,

Karen
