Good Afternoon Mark & Carolyn!

Please see the attached report, "Key West Grant Writing Report April 2019 through July 2021". It's been an incredibly successful period of time with grants awarded from 2019 to date for a total of **\$17,201,847.00!** Based on our results, we would like to request a modest increase from \$60,000 to \$63,000 (a 5% increase) and would greatly appreciate your support.

Christine and Heather has a very productive trip to KW this week in visiting lots of potential grant funding sites and with the interviews of all the Commissioners and Mayor, and Department heads. Now that the worst of the pandemic (for those of us fully vaccinated) is behind us we will visit more often. Best wishes,
Mike Langton
