To Whom it May Concern,

I would like to propose two amendments to my recently submitted proposal for providing tennis services for the City of Key West. RFP 002-17

All elements of the proposal shall stand as proposed except I would request no remuneration be paid to me for proposed services, and the City shall receive \$100 rent per month, payable by the fifth of each month with no additional compensation due from me.

As stated, I am willing to go forward with the proposal as stands, with these two amendments.

Sincerely,

Paul Findlay/ Island City Tennis
