Subject: City Commission Agenda Item #19 Resolutions

Dear Mayor Johnston & Key West City Commissioners,

This morning a new resolution, #19, was added to the upcoming City Commission meeting agenda, on very short notice. Considering all the discussion at the last meeting concerning allowing the public adequate time to review and comment on important proposed actions, we urge you to do the same with this item. The Key West Bar Pilots request 7 days to review and comment on this item before the City Commission takes this item up for discussion.

City Clerk Smith, please add this letter to the agenda item #19 as Public Comment attachment.

Respectfully,

A handwritten signature in black ink, appearing to read "Robert Maguire". The signature is written in a cursive style with a prominent loop at the end.
