Dear Mr. Moossy, Jr.,

On April 2, 2015, the Key West Citizen Review Board (CRB) received a letter from you stating that "Federal officials are currently investigating the matter" referenced in our letter to the Department of Justice dated January 26, 2015 concerning the death of Mr. Charles Eimers. Since that date, the CRB has had no communication with the Department of Justice or the Federal Bureau of Investigation regarding this matter. The CRB feels that enough time has elapsed since our first communication and that the CRB should be informed of any progress in the on-going investigation into the actions of the Key West City Police Department with respect to the Eimers case. The CRB therefore requests a "status update" or "final report" on this investigation at your earliest convenience. Your attention to this very important matter is greatly appreciated by the CRB and the Citizens of Key West, Florida.

Respectfully,

Michael Behrend
Chairperson
