Good morning,

Please review and let me know if you have any questions. I am not sure who I am missing from this email. If you think of anyone, please forward to them.

Michael,

I know this is part of their lease, however, since they are looking for outside restaurant alcohol and noise, I will go forward and treat this as a Special Event. Can you check with their lease and let me know if I am correct in going forward? Thank you!

Maria
