To whom it may concern:

Serving as Mayor and County Commissioner for Monroe County District 1, please accept this letter as my full support for the renewal of the Rams Head amphitheater agreement with the City of Key West. Over the years, Rams Head has booked and hosted numerous successful concerts and events. This has proven to benefit our local tourism and has brought so much life to our grateful community. In addition, they have worked closely with local non-profits and private entities in providing a space for community-driven events. I am hopeful that the City of Key West will continue to work together with Rams Head so that our community and visitors alike will continue to have a place they can come together and truly enjoy. Please feel free to contact me with any questions you may have.

Sincerely,
