

COMMENDATION

It is with great pride that the City of Key West shall honor Kelly Rosch for the award she received from Key West High School for Excellence in the Visual, Performing, and Vocational Arts. Music became a central part of Kelly's life the moment she started playing her father's trumpet when she was in the 6th grade. She has taken lessons with Ken Fradley, a Broadway lead trumpet player, marched with the Coates Brass Band in the New York City St. Patrick's Day parade and performs often with local groups. Kelly has retained first chair in both the Wind Ensemble and Jazz bands at KWHS for the past two years. In her role as head music librarian at KWHS she has utilized unprecedented leadership skills as she has taken on the daunting task of managing and restoring a 70 year old collection of sheet music valued at more than \$100,000.00. An outstanding academic student, Kelly maintains an impressive 4.5 weighted GPA in a most rigorous curriculum. Following her studies in college, Kelly aims to teach at the university level while still performing on the weekends. The City of Key West is honored to have a student of such caliber and dedication as part of our community.

In recognition of this honor, the City of Key West hereby presents this
Commendation to:

KELLY MYERS ROSCH
