The next meeting is August 12. I can postpone hearing of the application until then if you wish.

Sincerely,

Karen

Hi Karen,

I was hoping that perhaps we could push our tree meeting regarding our Sapodilla out to the next available meeting time next month? Please let me know.

We are a bit strapped for time and funding at the moment due to getting settled and moved. I apologize for any inconvenience. Thanks for all of your help!

wonderful, thank you.

Sincerely,

Karen
