ENGINEERS, INC. (C&A)**

DATE: May 21, 2014

TASK ORDER NO. 17

PROJECT NO. 107.018 (Chen Moore and Associates)

TITLE: KEY WEST BIGHT BREWERY BUILDING SPALL REPAIR
ENGINEERING SERVICES

A. PROJECT TASKS

This task order is based on our site visit of May 20, 2014. The project consists of repairing five (5) floor columns and two (2) beams (southwest corner) located on the second floor of the brewery, as well as two (2) columns at the first floor near the first floor north wall.

The following tasks describe the specific activities to be performed and the work products to be prepared by the ENGINEER under this task order.

Task 1 – Prepare Construction Documents and Shoring Plans

ENGINEER will prepare the repair documents, shoring plans and provide limited construction administration for the structure described. We will provide Structural Calculations and Repair Documents sufficient for permit. ENGINEER will conduct a site visit to verify installation per plans.

B. BASIS OF SCOPE

The following items are excluded from this Task Authorization:

- Shop drawing reviews.
- Meetings.
- Permitting services
- Structural specifications.
- Geotechnical investigations, wind studies, vibration studies, or testing.
- Estimates of probable construction cost.

C. SCHEDULE

Task 1 should be completed within 5 days.

D. COMPENSATION

Compensation for the above scope of services is a lump sum amount as follows:

FEE SUMMARY	
TASK	LUMP SUM FEE
Task 1 – Construction Documents and Shoring Plans	\$5,950
TOTAL FEE	\$5,950
