N A R R A T I V E 1	Topic ORIGINAL
	On 4/16/2011, at approximately 0340 hours, I (Officer M. Siracuse) responded to the area of 330 Duval Street, reference a verbal disturbance. I responded on my patrol bicycle, wearing a full bicycle uniform, consisting of a blue uniform shirt with patches, badge, blue shorts and a gun belt. As I approached the area from the north, I saw two white males standing on the sidewalk located on the west side of Duval Street. One young white male, later identified as Matthew Shaun Murphy, was facing another older white male, later identified as Jason Michael Moffet. Murphy was facing Moffet, yelling at him. Moffet was turned sideways, with his head down, in a more defensive manner, not confronting Murphy. Murphy had his shirt off and had taken an aggressive stance with his shoulders back and chest out. Murphy was standing only a few inches from Moffet and looking down on him. Murphy is 6'2 and Moffet is only 5'8. Murphy had a muscular build. As I got closer, I approached the two males from the direction Murphy was facing. I identified myself saying, "Key West Police," and I heard someone yell, "Police are here." I drew my TASER from its holster and pointed it at Murphy. I pointed the TASER at Murphy's right shoulder, avoiding his head and neck. Murphy ignored the light and laser of the TASER. Murphy raised his right hand making a fist, reached back, and punched Moffet in the face. Moffet's mouth immediately began bleeding and Moffet crouched in pain. Murphy reached back again, as if to strike Moffet for a second time. Fearing further injury to Moffet, I deployed my TASER, striking Murphy with both probes. One probe hit Murphy's right shoulder and the second hit his upper left leg. Murphy fell backwards on the ground. When the TASER finished cycling, I instructed Murphy to place his hands behind his back or he would be tased again. Officer J. Dean arrived on scene to assist. Murphy sat up and began arguing with Officer Dean and me. Murphy refused to comply with my orders and would not place his hands behind his back. As Officer Dean and I attempted to handcuff Murphy, he pulled away and tensed his arms in an attempt to keep us from handcuffing him. I gave Murphy loud, repetitive verbal commands, instructing him to place his hands behind his back. While telling Murphy to put his hands behind his back, I was attempting to pull his left hand out from in front of him and place it behind his back.

Incident Report

Case # 01-11-002065

Officer Dean and I struggled with Murphy for a short time before we were able to handcuff him. Once Murphy was handcuffed, I immediately called for KYPD Communications to send Rescue and my supervisor to the scene. Officer J. Dean removed the TASER probes from Murphy. Murphy laid back on the sidewalk and lost consciousness, but was still breathing. Rescue was advised to expedite due to Murphy's condition.

Murphy began bleeding from the nose and vomited a small amount on the sidewalk. Officer T. Stutz, D. Hall, J. Valdes and Sgt. A. Jewell arrived on scene. Myself and other officers placed Murphy on his left side in a recovery position to monitor his breathing and prevent him from choking on his vomit or blood. Key West MED 1 arrived on scene and took over treatment of Murphy.

I met with the victim, Jason Michael Moffet. Moffet said Murphy was with a black female, who left the scene upon the arrival of the Police. Moffet said Murphy began yelling at Moffet's wife, Beverly Anderson. Moffet said they were arguing about someone saying the word, "nigger." Moffet said he got between Murphy and Anderson. Moffet said Murphy struck him in the face just before being tased by police. Moffet said he was trying to find a hotel room for him and Anderson to stay for the night, when the incident took place. Moffet was extremely upset and said he wanted to press charges. Moffet had a split upper lip, and swelling to his mouth. Moffet said he did not need medical attention.

Officers on scene gathered sworn, written witness statements from witnesses who saw the incident. The first witness, Jennifer Renee Sprouse, stated the man with no shirt and jeans (Murphy) had a verbal altercation with the man with a ponytail (Moffet) and his wife. Sprouse stated Murphy then punched Moffet in the face. Sprouse said she was on the phone with 911, when she saw Murphy fall to the ground.

A second witness, Tammy Lynn Rotenberry, stated she saw the aggressor (Murphy) verbally assaulting a couple on the sidewalk. Rotenberry said Murphy was threatening to, "Kick his ass," and kept calling the couple, "crack heads." Rotenberry said Moffet told Murphy to go back to the mainland and leave the locals alone. Rotenberry said Murphy ripped off his tank top and rushed Moffet. Rotenberry said this is when police arrived on scene and tased Murphy.

I met with Moffet's wife, Beverly Anderson. Anderson said she was sitting on the sidewalk with Moffet and their dog. Anderson said they began arguing with Murphy, a black female, and three black males. Anderson said someone struck their dog, and the argument continued to escalate, until it became physical.

Sgt. A. Jewell photographed Murphy on scene and Officer J. Valdes photographed Moffet's injuries.

Key West MED1 transported Murphy to the Lower Keys Medical Center. After collecting all pertinent information and evidence, I went to the emergency room to check on Murphy. I was informed by E.R staff Murphy was awaiting transportation via Lifenet helicopter to the Ryder Trauma Center in Miami due to a brain bleed.

I returned to the Key West Police Department and placed my TASER camera's video recording and spent cartridge in the KYPD Property Section as evidence.

Incident Report

Case # 01-11-002065

N A R R A T I V E 1	Topic	SUPPLEMENTAL
	On Saturday, April 16, 2011, at approximately 0344 hours, I responded to the 300 block of Duval Street to assist Officer Siracuse who requested more units and he had to Taser one subject.	
	Upon arrival, Officer Siracuse and Officer J. Dean had a white male detained on the ground. I briefly spoke with the victim of a battery Michael Moffit, who identified the subject in custody as the person who struck him. The suspect was later identified as Matthew Murphy. While speaking with Moffit, I observed Murphy was unconscious and Officer Siracuse and other officers were rendering aid.	
	I assisted with the investigation photographing the victim's injuries and handing out witness statements. Care Ambulance Service responded to the scene and took over care of Murphy.	
	At approximately 0550 hours, Sergeant Jewell requested I return to 330 Duval Street where the incident occurred and photograph the scene. I photographed the scene as it was left from the earlier incident.	
	330 Duval Street is a Store front for the "Flirt" store. The store faces east onto Duval Street. The sidewalk and store front has three levels the concrete sidewalk, a step up to brick pavers, and approximately three wooden steps to the front door of the store. The incident occurred on the concrete sidewalk near the south east section of the store.	
	The scene as I photographed it had some blood still on scene from Murphy mixed with a disinfectant and plastic left on scene from by Care Ambulance Service when they treated Murphy.	
	The north east portion of the store front has a white concrete wall approximately three feet high that is part of the adjacent property. I checked for potential latent evidence (Blood, hair, fibers) on the wall that would indicate the subject struck the wall when he fell. I did not locate any evidence indicating the subject struck the wall when he fell. I attempted to locate any latent evidence on the bricks away from where the subject was treated that may indicate he was injured when he fell onto the brick landing of the store front. I located several red paint chips but nothing consistent bodily fluids.	
	I left 330 Duval Street and responded to the Lower Keys Medical Center Emergency Room. I photographed Murphy as I found him. Murphy was inside the emergency room and was unconscious. Murphy was being treated in exam room B. I photographed Murphy as I found him at the Emergency Room. Murphy did not have any lacerations, bruising or swelling about the head or face and I was advised by the Emergency Room staff he had no visible exterior injuries.	
	As I was leaving the Emergency Room Murphy was being prepared to be air lifted to Miami for further treatment.	
I turned the photographs I took of the Victim, Scene and at the Emergency Room into the Key West Police Department Property and Evidence Section as evidence.

N A R R A T I V E	Topic	ORIGINAL
	1 On April 16, 2011, at 0342 hours, I, Officer J. Dean, responded on foot to 330 Duval St, in reference to a verbal argument. Officer M. Siracuse arrived shortly before me.	
	As I was approaching the scene, I observed a crowd of people gathered on the sidewalk in front of 330 Duval St. I saw Officer Siracuse standing in the street approximately ten feet away from the crowd. The crowd appeared to be calming down. As I was approaching, I saw Officer Siracuse standing with the suspect, later identified as Mathew Murphy, and the victim, later identified as Jason Moffet. I saw Murphy punch Moffet in the head. I lost sight of Moffet, after he had been struck by Murphy. Immediately after striking Moffet, Murphy tensed up and fell out of view. I realized Officer Siracuse had used his TASER on Murphy. My view of the incident had been partially obstructed by the crowd.	
	I arrived at Murphy's location seconds after Officer Siracuse had used his TASER. Officer Siracuse was instructing Murphy to put his hands behind his back. Murphy was yelling something, but I could not understand him. It appeared that Murphy was yelling at Moffet. I grabbed Murphy's arms and attempted to put his hands behind his back. I instructed Murphy to place his hands behind his back but he tightened his arms and tried to pull them away. I had to bend Murphy's wrist and lean on his arm to make him comply with my demand to put his hands behind his back. I was eventually able to place Murphy into handcuffs.	
	After handcuffing Murphy, I removed the probes. Murphy had minor bleeding from the probe wound on his arm. I inspected the probes and they appeared to be intact. I placed the probes into the TASER cartridge Officer Siracuse was holding. I left the cartridge and probes with Officer Siracuse.	
	Shortly after removing the probes, the suspect began to vomit. I rolled the suspect onto his left side so that he would not choke. After vomiting the suspect appeared to lose consciousness but was still breathing. Rescue was called and responded to the scene. While waiting for Rescue, Officer T. Stutz and I, monitored Murphy's breathing, which appeared normal. Murphy was snoring. Officer Stutz also applied pressure to Murphy's shoulder, which was still bleeding.	
	Sgt. Jewell arrived on scene and took photos of Murphy.	
	Rescue transported Murphy to Lower Keys Medical Center to be treated for his injuries. See Officer

In the name of the State of Florida, to all singular the sheriffs of the State of Florida, Officer Mark Siracuse of the Key West Police Department has this day made oath that on the 16th of April 2011, in the county aforesaid, one: **Matthew Shaun Murphy** did then and there:

On 4/16/2011, at approximately 0340 hours, I (Officer M. Siracuse) responded to the area of 330 Duval Street, Monroe County, Key West, Florida reference a verbal disturbance.

I responded on my patrol bicycle, wearing a full bicycle uniform, consisting of a blue uniform shirt with patches, badge, blue shorts and a gun belt. As I approached the area from the north, I saw two white males standing on the sidewalk located on the west side of Duval Street. One young white male, later identified as Matthew Shaun Murphy, was facing another older white male, later identified as Jason Michael Moffet. Murphy was facing Moffet, yelling at him. Moffet was turned sideways, with his head down, in a more defensive manner, not confronting Murphy. Murphy had his shirt off and had taken an aggressive stance with his shoulders back and chest out. Murphy was standing only a few inches from Moffet and looking down on him. Murphy is 6'2, about 200 lbs, and Moffet is only 5'8, 150 lbs. Murphy had a muscular build.

I approached the two males from the direction Murphy was facing. I identified myself saying, "Key West Police," and I heard someone yell, "Police are here." I drew my TASER from its holster and pointed it at Murphy. I pointed the TASER at Murphy's right shoulder, avoiding his head and neck. Murphy ignored the light and laser of the TASER. Murphy raised his right hand making a fist, reached back, and punched Moffet in the face. Moffet's mouth immediately began bleeding and Moffet crouched in pain. Murphy reached back again, as if to strike Moffet for a second time. Fearing further injury to Moffet, I deployed my TASER, striking Murphy with both probes. One probe hit Murphy's right shoulder and the second hit his upper left leg. Murphy fell backwards on the ground. When the TASER finished cycling, I instructed Murphy to place his hands behind his back or he would be tased again. Officer J. Dean arrived on scene to assist. Murphy sat up and began arguing with Officer Dean and me. Murphy refused to comply with my orders and would not place his hands behind his back. As Officer Dean and I attempted to handcuff Murphy, he pulled away and tensed his arms in an attempt to keep us from handcuffing him. I gave Murphy loud, repetitive verbal commands, telling him to place his hands behind his

**ARREST AFFIDAVIT
(CONTINUED)**

back. While telling Murphy to put his hands behind his back, I was attempting to pull his left hand out from in front of him and place it behind his back.

Officer Dean and I struggled with Murphy for a short time before we were able to handcuff him. Once Murphy was handcuffed, I immediately called for KWPD Communications to send Rescue and my supervisor to the scene. Officer J. Dean removed the TASER probes from Murphy. Murphy laid back on the sidewalk and lost consciousness. Rescue was advised to expedite due to Murphy's condition.

Murphy began bleeding from the nose and vomited a small amount on the sidewalk. Officer T. Stutz, D. Hall, J. Valdes and Sgt. A. Jewell arrived on scene. Myself and other officers placed Murphy on his left side in a recovery position, to prevent him from choking on his vomit or blood. Key West MED 1 arrived on scene and took over treatment of Murphy.

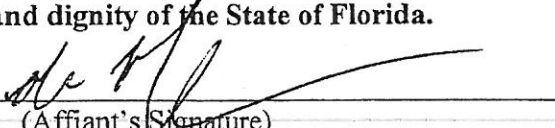

I met with the victim, Jason Michael Moffet. Moffet said Murphy was with a black female, who left the scene upon the arrival of the Police. Moffet said Murphy began yelling at Moffet's wife, Beverly Anderson. Moffet said they were arguing about someone saying the word, "nigger." Moffet said he got between Murphy and Anderson. Moffet said Murphy struck him in the face just before being tased by police. Moffet said he was trying to find a hotel room for him and Anderson to stay for the night, when the incident took place. Moffet was extremely upset and said he wanted to press charges. Moffet had a split upper lip, and swelling to his mouth. Moffet said he did not need medical attention.

Officers on scene gathered sworn, written witness statements from witnesses who saw the incident. The first witness, Jennifer Renee Sprouse, stated the man with no shirt and jeans (Murphy) had a verbal altercation with the man with a ponytail (Moffet) and his wife. Sprouse stated Murphy then punched Moffet in the face. Sprouse said she was on the phone with 911, when she saw Murphy fall to the ground.

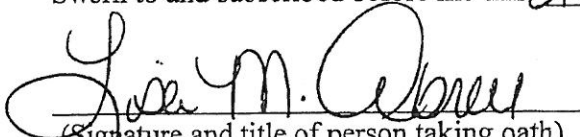

A second witness, Tammy Lynn Rotenberry, stated she saw the aggressor (Murphy) verbally assaulting a couple on the sidewalk. Rotenberry said Murphy was threatening to, "Kick his ass," and kept calling the couple, "crack heads." Rotenberry said Moffet told Murphy to go back to the mainland and leave the locals alone. Rotenberry said Murphy ripped off his tank top and rushed Moffet. Rotenberry said this is when police arrived on scene and tased Murphy.

I met with Moffet's wife, Beverly Anderson. Anderson said she was sitting on the sidewalk with Moffet and their dog. Anderson said they began arguing with Murphy, a black female, and three black males. Anderson said someone struck their dog, and the argument continued to escalate, until it became physical.

The suspect did knowingly and intentionally strike Jason Moffett with his right fist, committing the offense of battery, contrary to the Florida Statute in such cases made and provided, and against the peace and dignity of the State of Florida.

03:45 Officers Stutz, Hall and Valdes arrive on scene to assist.

03:46 Officer Siracuse advises over the radio, he has one subject tased and requested a supervisor and Rescue to respond to his location. Murphy lost consciousness moments later and Officer Siracuse requested Rescue expedite their response. Murphy began to bleed from the nose and vomited. Officer Stutz placed Murphy in a recovery position, ensuring his airway was not restricted and he was breathing.

03:53 Rescue (Med 1) arrived on scene and took over the treatment of Murphy. I took photos of Murphy and the scene just prior to transport by Rescue. The two paramedics remained on scene, while administering care to Murphy, before calling for Key West Fire to send someone to drive the ambulance to the hospital.

03:45-04:20 On scene at 330 Duval Street, officers interviewed and took statements from those witnesses who volunteered to do so. I interviewed and took a sworn written statement from an independent witness, Ms. Jennifer Sprouse. The victim, Moffit had a swollen and bleeding lip from where he was punched by Murphy. Moffit refused Rescue, but did provide a sworn written statement. Officer Valdes took photos of Moffit.

04:21 Officer Siracuse went to the hospital to gather additional information on Murphy. Murphy had not regained consciousness and was being treated for his condition by ER physicians.

04:55 I also responded to the ER and spoke to ER physicians, Dr. Erlandson, who told me they had detected a brain bleed through a CAT scan and were prepping him to be airlifted to Ryder Trauma Center.

05:23 I notified Lieutenant Vazquez through text message of the incident and current status. I called Captain Smith on his cell phone to give notification and he acknowledged.

05:58 Prior to transport via helicopter, I had Officer Valdes make one final attempt to get photos of Murphy, which he did. Officer Valdes also confirmed there were no exterior lacerations to Murphy's head that may have been caused by his fall.

07:17 I again called Captain Smith to give him an update of the case. Captain Smith made contact made notification to FDLE. I relayed all information known at the time to Agent Vince Wiener.

07:19-09:52 The incident scene at 330 Duval Street was secured by Officers Lohman and Wanciak, until it was determined by Agent Wiener it had been sufficiently documented.

- 08:13 Officer Gary Celcer responded to the hospital to recover property belonging to Marie Annulyse, which the receiving hospital crew from Ryder would not accept. Officer Celcer recorded it in a supplemental report and dropped it into Property and Evidence.
- 08:13 I made contact with Social Worker at Ryder Trauma Center, Jaclyn (305-585-1148) to establish lines of communication and get updates on Murphy's condition.
- 09:47 I spoke with Jaclyn again, and she told me Murphy just went into the operating room and he was still listed in critical condition. Jaclyn also relayed to me, she had identified Murphy's next of kin as his parents in West Virginia. Murphy's mother is Lynne Murphy (304-733-2373). Jaclyn also told me she was in contact with Murphy's girlfriend Marie Annulyse (305-896-4535) who was at her parent's house in Key West at 320 Angela St. Apt. 5a. and she would like to speak to KYPD officers.
- 10:38 Jaclyn called me to relay that Murphy's father, Marty (304-617-0645) had been in contact with her and was requesting to speak to me regarding what happened to his son. I called Marty and told him the best and most up-to-date information on the condition of his son would come from Jaclyn at Ryder Trauma and that our investigation was on-going. I also told him, Murphy's girlfriend Marie was on-scene and could possibly provide him with the details he was looking for.
