Carlene,

We have received a notice providing us an opportunity to comment on a proposed variance requested by Chance Blatt of 3642 Eagle Ave.

Please be advised that we have absolutely no objection at all. The Blatt family is a delight to have in the neighborhood; they maintain their home and are excellent neighbors. We cannot imagine how granting this variance would create a negative impact on anyone on Eagle Ave.

Should you require further comment, please contact us at 305-942-6590.

Sincerley,

Jack Wetzler
