Standards for Considering Variances

Before any variance may be granted, the Planning Board and/or Board of Adjustment must find all of the following requirements are met:

1. Existence of special conditions or circumstances. That special conditions and circumstances exist which are peculiar to the land, structure or building involved and which are not applicable to other land, structures or buildings in the same zoning district.

Lot width does NOT allow For side set Backs &
Existing Historic structure was originally Built
with in Front set Back

2. Conditions not created by applicant. That the special conditions and circumstances do not result from the action or negligence of the applicant.

Existing conditions created @ Time structure
was created.

3. Special privileges not conferred. That granting the variance(s) requested will not confer upon the applicant any special privileges denied by the land development regulations to other lands, buildings or structures in the same zoning district.

IT is NOT Possible To comply with side set Backs
and Front set Back is uniform with other existing
Historic Properties on street

4. Hardship conditions exist. That literal interpretation of the provisions of the land development regulations would deprive the applicant of rights commonly enjoyed by other properties in this same zoning district under the terms of this ordinance and would work unnecessary and undue hardship on the applicant.

IT is NOT Possible To meet side set backs due To Lot
width and To move structure To comply with Front set
Back would Cause undue Hardship on the owner

5. Only minimum variance(s) granted. That the variance(s) granted is/are the minimum variance(s) that will make possible the reasonable use of the land, building or structure.

Asking For Historical structure To Remain in
existing FootPrint as originally Constructed.

Carlene;

These are the scans of the drivers licenses for Brian & Julie Doe @ 1316 Virginia St for the purpose of having you notarize their paperwork when I submit it.

Their not printing well so I thought I would just e-mail it to you.

Please let me know that you have received this as well as the plans that David Knoll had e-mailed. I will be submitting a sealed set to you because he does not have an electronic stamp to seal them with but he thought he would send it anyway so you have it on file.
