

Report
to the members and to the
Key West Bight
Management District Board
October 2014

Summary: Board meeting - Tuesday September 9, 2014
CALL to ORDER: 2:10pm - A quorum was present

1 of 1

New Business:

Clarifying the Key West Bight Dock Sign Regulations to allow digitally printed signs for the Marina and upland businesses.

After discussion, a consensus emerged that with the dock sign regulations, the Bight Board intended to prohibit TV's and electronic digital signs on the docks, but had no intention to prohibit the commonly used digitally printed signs on the docks, or on the upland buildings as already allowed by HARC rules.

Allowing Key West Bight Ticket Booths to sell any other Bight attraction tickets.

After discussion, a consensus emerged that it is reasonable, fair and much needed by the Seaport tenants, that the limited number of ticket booths in the Historic Seaport should be able to sell tickets for attractions other than the leaseholder's business, but only for other attractions located within the KW Historic Seaport.
