Complaint File: **CRB No. 14-003, 14-004, 14-005**

Dear Mr. Nash:

This letter shall confirm that on October 14, 2014, at approximately 10:25 A.M., I spoke to you by telephone at telephone number 305-896-5162, and that at that time you stated that you did not want to pursue any complaints against the Key West City Police Department (KWPD) and that the Citizen Review Board (CRB) should not conduct any investigations into those matters on your behalf.

As per the Board's standard operating procedures, your complaints were forwarded to the Key West Police Internal Affairs Department (IA) for investigation. Case #14-003, complaint of False Arrest, was returned by the KWPD stating that the matter had been resolved in court and that they would not conduct an internal investigation on the matter. Case #14-004, complaint of Racial profiling, was investigated by the KWPD and no wrong doing was found on the part of the officer involved. Case #14-005, Rudeness, was in the process of being investigated by the KWPD when you informed them that you wished to drop that complaint. Their incomplete investigation found no wrong doing by the officer involved.

Please note that all documents and communications received by this office are considered public records. Please make sure that this office is updated at all times of any change to your contact information or mailing address for further correspondence.

The Board appreciates the time you have taken to lodge these complaints and should you reconsider your decision to drop the complaints please do not hesitate to contact the CRB. You are welcome to call or write us with any questions you may have.

Respectfully,

Larry Beaver
Executive Director
