10. Description of Incident: (If additional space is needed, continue in section 51 or use separate page if needed)

Officers responded to 2927 Harris in reference to a trespasser at the location. The W/M trespasser, later identified as MURPHY, was asked to leave by the homeowner, Jabour, in the presence of the Officers (Currul, Young & Gauffillet) and MURPHY refused. Ofc. Currul told MURPHY he had to leave and explain why but MURPHY refused to leave and he then turned away and placed his hands behind his back. Since MURPHY had a digital camera on a lanyard around his neck Ofc. Currul went to remove the camera before handcuffing him and when he did so MURPHY grabbed the camera and spun around towards Ofc. Young. Ofc. Young reacted by grabbing a hold of MURPHY'S left hand and Ofc. Currul grabbed a hold of MURPHY'S right hand. MURPHY began to tense and pull away from them. Officers using their combined weight were able to bring MURPHY down on the ground where he was subsequently handcuffed and taken into custody. MURPHY did not appear injured nor did he complain that he was

Case No 14-3441

INCIDENT	<p>51. Description (Section 10 continued): Officer Malgrat returned to the upstairs porch area and observed the damaged plants and the reporting person-As they were talking the Arrestee emerged from his apartment and began yelling obscenities at them both. Officer Malgrat attempted to diffuse and deescalate the arrestee's unruly behavior but he continued to yell at the R/P and Ofc Malgrat. Officer Malgrat was advised that the R/P wished to press charges for the damaged plants. The arrestee was clearly informed that he was under arrest several times. Ofc Malgrat was able to handcuff the left wrist but the Arrestee willfully and actively resisted having the other wrist cuffed. Ofc Malgrat had to push the arrestee against the door jam to hold him in place as he was trying to gain control of his right wrist. After several attempts to gain control and Several loud verbal commands were given to the arrestee to comply, Ofc Malgrat was forced to use a straight arm takedown and force the arrestee to the porch deck. Despite striking his face on the deck the arrestee maintained his resistance and refused to allow his right wrist to be handcuffed. Ofc. Malgrat continued loud verbal commands and was finally able to gain control of the right wrist. Officer Malgrat summoned an ambulance and a Supervisor due to the response to resistance. The arrestee received a fractured orbital and possible broken nose. He was taken to the emergency room for treatment and released.</p> <p>Charges are: Disorderly Intoxication, Criminal Mischief, and Resisting arrest w/out violence.</p>

	Officers responded to Higgs Beach for a call of two females that were topless. It was reported that children were in the area. They were unable to locate them and were about to leave when the two females walked up the beach toward them. The officers met with both and told them that they had to put on clothes. One complied however the second, Parrish, argued about it, saying they were from Miami. She covered up and walked back to her towel on the beach, where she again went topless. Officers went over and told her to cover herself however she would not. Officer Chaustit told her that since she was not complying, she would have to leave. She was also in possession of alcohol and appeared intoxicated. Instead of leaving she turned and started walking toward the water. She was told to come back but would not comply. When he grabbed her arm to stop her, she pulled away. He kept hold of her wrist. As she continued to pull away, he pulled her to the ground in order to gain control. Once she was on the

Officers Wood, Sealey and M. Young responded to a physical disturbance. Upon arrival the officers found the suspect, Adam Korzan being held on the ground by a witness Edward Geary. During the investigation it was determined that Korzan came to the location looking for his girlfriend Renata King and an argument ensued. Upon Ofc. Wood's arrival Geary was holding Korzan on the ground by holding his right arm and kneeling on his back. Ofc. Wood told Geary to let Korzan go and told Korzan to sit up. Ofc. Wood said Korzan complied and she handcuffed him without incident. Ofc. Wood said Korzan was yelling at people on scene but did not resist her. Korzan complained of pain in his ribs so Ofc. Wood transported him to the Lower Keys Medical Center prior to the jail. While at the hospital Korzan alleged that Ofc. Wood kicked his back with her boots. Korzan also told a nurse that he had shooting pain in his right leg and his back hurt from Ofc. Wood stomping on his back with her boots.

INCIDENT	51. Description (Section 10 continued): Due to Korzan's accusations I went to the Monroe County Detention Center and met with him. I explained to Korzan that I was there to talk to him about his accusations against Ofc. Wood. Korzan said he is not sure what happened and that he blamed Ofc. Wood out of anger. Korzan said he was upset because about ten people beat him up and he was the one in jail. Korzan said he did feel boots on his back but was unsure who's they were. I asked Korzan if he was mistreated by any Key West Police Officers and he said no. Korzan said he did not want me to do anything and refused to write a statement. I took photos of Korzan. I put the photos that I took on a disc with photos that Ofc. Sealey took.

Radio call was originally dispatched as a disturbance with one of the individuals involved possibly armed with a gun. Officers Hall, Dean and Andruzzi were arrival first at the incident location (Sigsbee RV Park) I arrived shortly afterwards. The Detainee, JONES, had been secured in the backseat of Ofc. Hall's car because he possibly had threatened another with a gun and appeared intoxicated and highly agitated. JONES while in the back seat started to kick the rear passenger side window of the patrol car at which point Ofc's Hall, Dean and I opened the door and removed JONES from the rear seat. JONES became enraged and began to flail, kick and got to his feet after he was removed from the rear seat. JONES was given loud verbal commands to stop fighting and to stop resisting which he ignored. Because of JONES' actions he was taken to the ground to further subdue him and later hobbled. JONES still kept up his resistance even when the EMT's arrived to treat him.

INCIDENT	51. Description (Section 10 continued): NAS contacted his command and they responded to the scene. While awaiting the command members, EMT's as a precaution checked JONES' blood sugar and it was determined that he had low blood sugar. When his command arrived they said this behavior was not normal for JONES. JONES was transported to the ER and was treated for an unknown medical condition and later released to his command. Due to JONES having an unknown medical condition which precipitated this outburst which was treatable by doctors (he was later released to his commanding officer with no recollection of what happened) no charges were filed. TASER camera was used to document the incident. Photos were taken of all involved. No injuries reported for the officers. Minor injuries to JONES. INCIDENT	10. Description of Incident: (If additional space is needed, continue in section 51 or use separate page if needed) On 12AUG2014, Officers Diaz and Gauffillet responded to a trespassing call at 816 Fleming St. Both Officers said that LOZADA, who was clad only in his underwear and appeared intoxicated, walked up to Tim Smith (complainant) and said that he knew people at the resort and was invited in, by Smith, and he, LOZADA and two other friends (of Smith) went to the pool area. At the pool area LOZADA became "wild" which prompted the two friends to leave and Smith telling LOZADA to leave (LOZADA was not a guest of the resort). LOZADA refused and Smith called the police. When Officer Gauffillet arrived, LOZADA was on the front porch area of the resort. Officer Gauffillet told LOZADA to step off the porch to explain what happened. LOZADA complied. After interviewing LOZADA and LOZADA informing Ofc. Gauffillet about his property possibly being stolen, Ofc. Gauffillet said he would investigate further but he (LOZADA) needed to remain outside. LOZADA did not comply and tried to follow Ofc. Gauffillet onto the property again. He was told again to wait outside and he complied. Ofc. Diaz then arrived on scene. Ofc. Gauffillet located LOZADA'S property and brought it out to him. The property allegedly stolen was not; it was located in the backpack. However the wallet was not there. Officers then informed LOZADA they would search for his wallet but he need to remain outside. As the officers were about to reenter the property, LOZADA followed and was told again to not go on the property. As they attempted to enter, LOZADA continued and this is when Ofc. Diaz put his hands on LOZADA'S upper chest to stop him from following.

INCIDENT	<p>51. Description (Section 10 continued): LOZADA was told to stop, didn't and Ofc. Diaz again put his hands to LOZADA'S upper chest to stop him and LOZADA kept advancing. Ofc. Diaz then attempted to "pin" LOZADA up against the exterior wall of the resort, missed and subsequently pinned LOZADA against the glass window causing it to break. In the process, LOZADA was cut by the broken window and taken to the ground to be handcuffed.</p> <p>EMTS were summoned to check LOZADA but were unable to due to LOZAD'S aggressive combative nature. While EMT'S were trying to administer care, LOZADA abruptly stood up and attempted to kick Ofc. Diaz. LOZADA was then brought to the ground again (controlled manner) and was subsequently hobbled. LOZADA was taken to MCDC, refused and brought to the ER. At the ER, LOZADA was treated (Doctor used an adhesive to close the one wound) released and remanded to MCDC.</p>

RE: RRI narrative for Case # 14-3884

On August 14, 2014 at approximately 0100 hours Officer Fraga requested that I, Sgt. B. Lariz respond to the 500 block of Rose Lane in reference to a response to resistance report. Upon arrival Officer Fraga briefed me about the incident. I met with the suspect, Nikko Finnegan. Finnegan had slow slurred speech, bloodshot eyes and a strong odor of alcohol emanating from his breath. Finnegan said he was allowed into Fat Tuesday Bar even though he is only 20 years old. Finnegan said he was physically pushed out of the bar by bouncers. Finnegan kept asking for us to just let him go. I saw that Finnegan had abrasions on his face, arms and hands. I asked Finnegan if he was injured and he complained of an injury above his left eye, which was a small abrasion and said his neck hurt. Finnegan said he injured his neck in a car accident a few weeks ago. Officer Fraga requested Care ambulance to respond. Fraga later told me that Finnegan refused treatment. I asked Finnegan how much he had to drink and he said a lot. I asked Finnegan how many drinks he had and what type. Finnegan said he had about 10 drinks, some being beer and some vodka.

I met with a group of subjects, two females and two males who appeared to know or be with Finnegan. I asked the group if they witnessed the incident and they all said no. I told the officers on scene to get the subjects contact information. Officers Fraga and Morris later told me the subjects were not cooperative and only two of them provided partial information.

I went inside Fat Tuesday Bar and the surrounding area to locate any other witnesses but the bar was closed and empty. The only witnesses I talked to were the two bouncers that were involved, Brian Rose and Michael Wukotich. Both of their verbal statements to me were consistent with each other. They were not sure how Finnegan got inside the bar but think he may have snuck in. Rose said he did make Finnegan leave earlier in the evening when he tried to get in but said he must have returned later. See witness statements and my Coban in car recording for further details. Wukotich said he recorded the incident involving Rose, Finnegan and himself on his cellular phone. Wukotich provided Officer

Fraga with the video, which Officer Fraga placed in property as evidence. The Fat Tuesday Staff was provided the case number and will call in when they are able to place the Fat Tuesday surveillance video onto a disc.

Officer Fraga said while he was dealing with Finnegan he was uncooperative. Finnegan kept asking Officers Fraga and Cutie for his driver's license back and then started approaching Officer Cutie and slapping his hands together in front of Officer Cutie's face. Due to Finnegan's actions Officer Cutie told him to place his hands behind his back and attempted to handcuff him. Finnegan began to flee and Officer Cutie grabbed him by the arm. Finnegan pulled his arm away from Officer Cutie with such force that he pulled Officer Cutie with him. Officer Fraga then grabbed Finnegan from behind, under his right arm and put his left arm over Finnegan's left shoulder directing Finnegan to the ground in a controlled manner to gain control of him. Finnegan continued pulling away and pulling his hands under his body. Officer Kasyanenko arrived on scene. Officer Fraga disengaged because his gun belt came unclipped. Officer Cutie turned on his TASER and placed it on Finnegan's back advising him to cooperate or he would be TASED. Finnegan then complied and Officer Kasyanenko handcuffed him.

It is unknown which injuries Finnegan sustained from being taken to the ground by Rose and Wukotich or Officers Fraga and Cutie. I photographed Officer Fraga's abrasion that he sustained on his left elbow, Rose's abrasions on his hands and Finnegan's injuries. While trying to take profile photos of Finnegan's face he was not cooperative. Finnegan kept turning his face behind him instead of to the side. I gave him multiple chances and instructions to only turn sideways and look at the officer next to him, but he would intentionally turn his head behind him so I could not get a good photograph. I placed all of the photos that I took, Officer Cutie's TASER video and TASER log; which I downloaded onto a disc. I gave the disc to Officer Fraga and he placed it into the property section as evidence. I also completed a Notice of Injury report for Officer Fraga.

10. Description of Incident: (If additional space is needed, continue in section 51 or use separate page if needed) Officers Bouvier and Currul were sent to a call at the Hyatt Windward regarding an unknown problem called in by a cabbie (Sergio). When officers arrived Sergio informed them that his fare had broken the cabs mirror and that had left without paying the fare. Sergio informed the officers that he had followed the persons to the rear of the resort and this is where officers found Torres and his wife. When officers directed Torres to come out to the parking lot, Torres refused (3 times). When officers told Torres to place his hands behind his back he again refused. When officers attempted to handcuff him, Torres began to tense and jerk attempting to thwart their efforts to place him in handcuffs. Martha Torres then attempted to intervene by trying to get in between Ofc. Bovier and her husband but was redirected by a push from Ofc. Bouvier. Officer O'Connell (off-duty at Key Ambassador) arrived on scene to help with the apprehension (Torres was highly intoxicated and very large in stature) Ofc. Bouvier used his TASER to drive stun Torres to gain pain compliance and stop Torres from resisting. Ofc. Bouvier stated he drive stunned Torres three separate occasions but only one video was captured (there is a possibility that the officer forgot to disengage the safety since only one of the drive stuns seemed to have any effect on Torres. There were also no telltale visible signs on Torres of where the Taser was employed) Torres was taken into custody but was still highly agitated and was making little sense when he spoke (mostly bellowed).
