Good Morning Karen,

I dropped off the tree permit this morning in the box (under the turtle). The Board has decided to move forward with Tarzan to remove the tree's. I did note on the permit that you had already been out inspect and measure the trees. Can you tell me how many inches we need to replace so that I can get an order in with Mama's?

Please let me know if there is anything else I need to do.

Thank you,
Jessica Steinbach
