## Key West POLICE DEPARTMENT

February 20, 2014

Chief Lee,

During 2013, we had 2 complaints of Bias-Based or Racial Profiling, neither of which were sustained. I have compiled our statistics and how they relate to our demographics. Please note that some of the statistics do not appear exact. Even with the discrepancies, I found no evidence to believe that we are using Bias-Based or Racial Profiling and I do not recommend a change to our training or policy.
