PUBLIC EMPLOYEES RELATIONS COMMISSION

IN RE PETITION OF CITY OF KEY WEST

Case No. UC-88-035

FINAL ORDER

Order no. 89E-263 Issued; September 11, 1989

Zane Nutter, Key West, representative for Key West.
Stanley Lichtman, Miami, representative for Teamsters Union.

MATTIMORE, Chairman.

On December 5, 1988, the City of Key West (City) filed a unit clarification petition pursuant to Section 447.207, Florida Statutes (1987), 1 and Florida Administrative Code Rule 38D-17.024. The City seeks to update and clarify the description of a bargaining unit of City administrative/clerical personnel to: include certain positions which either did not exist at the time of certification or were not included by inadvertence; delete certain positions which no longer exist; amend the titles of certain positions which have been changed; and exclude certain positions as confidential or managerial.

On March 29, 1989, the Commission ordered an evidentiary hearing, which was held on April 26, 1989. Both the City and the certified bargaining agent for the City's administrative/clerical personnel, Teamsters Local Union No. 769 (Teamsters), participated in the hearing. The hearing officer issued his recommended order (HORO) on June 12, 1989. The hearing officer agreed with the City's proposed unit inclusions, except for the positions of Accountant, Clerk Typist I and Parking Lot Attendant. Furthermore, he agreed with the City's proposed exclusions, except for the Secretary Substitute/Floater. Neither party filed exceptions to the recommended order.

The Commission has reviewed the record and finds that there is competent, substantial evidence to support the hearing

¹All citations to Florida Statutes are to the 1987 edition.

officer's findings of fact. The proceedings on which the findings are based comply with the essential requirements of law. Therefore, the hearing officer's findings of fact are adopted by the Commission. The Commission is also in agreement with the hearing officer's analysis of the legal issues in this case, except for his analysis of the managerial designation for the assistant directors. The HORO, as modified herein, is adopted as the Commission's final order.

Regarding the assistant directors, a managerial designation will be made only to the extent necessary to resolve an issue of unit placement. Fla. Admin. Code Rule 38D-17.020. Each of the assistant directors is already excluded from the unit because of supervisory conflict. Further, there is no proposed confidential designation which requires the Commission to make a managerial determination on the assistant directors. Accordingly, the Commission will not make a managerial determination regarding the assistant directors at this time.

Although we agree with the hearing officer's recommendation that the Parking Enforcement Specialist and the Sexton be included in the unit, the Commission adopts that recommendation for the following reasons. Concerning the Parking Enforcement Specialist, the parties have considered the position to be part of the bargaining unit and the Teamsters have established a history as the bargaining representative for that position. This prior bargaining history is sufficient to include the Parking Enforcement Specialist in the unit. See In re Petition of Polk Education Association, Inc., 9 FPER ¶ 14304 (1983) (Commission adopts hearing officer's finding that opt-in election requirement does not apply in cases where the parties have treated the position as if it were included in the unit). The record on the Sexton indicates that its duties and responsibilities have substantially changed since the unit was originally certified (Cert. No. 536). These changes are sufficient to include the Sexton in the unit. See Sarasota County PBA v. City of Sarasota, 7 FPER ¶ 12339 at 680 (1981).

Based upon the foregoing, the Commission concludes that the unit description for certification number 536 should be and is hereby AMENDED to read as follows:

INCLUDED: Clerk Typist II, Records Clerk, Lead Records Clerk, Communications Officer I, Communications Officer II, Administrative Assistant I, Administrative Assistant II (other than Administrative Assistant II -Police Department and Administrative Assistant II - Finance Department), Secretary I, Secretary II, Secretary III, Supervisor of Revenues, Inspectors, Sewer Dispatcher, Sexton, Citizen Liaison, Coordinator I, Coordinator II, Computer Operator I, Computer Operator II, Main Frame Computer Operator I, Main Frame Computer Operator II, Chief License & Collections Officer, License & Collections Officer, Parking Enforcement Specialist, Communications Technician (PBX Operator), Accounting Clerk II, Accounting Clerk III, Human Resources/Risk Management Clerk, Courier, Secretary Substitute/Floater.

EXCLUDED: Administrative Assistant II Finance (a/k/a Executive Assistant
I - Finance), Administrative
Assistant II - Police Chief (a/k/a
Executive Assistant I - Police
Chief), Executive Assistant II Assistant City Manager, Executive
Assistant II - City Manager,
Assistant Director, all other
employees of the City of Key West.

This order may be appealed to the appropriate district court of appeal. A notice of appeal must be received by the Commission and the district court of appeal within 30 days from the date of this order. Except in cases of indigency, the court will require a filing fee and the Commission will require payment for preparing the record on appeal. Further explanation of the right to appeal is provided in Sections 447.504 and 120.68, Florida Statutes, and the Florida Rules of Appellate Procedure.

Alternatively, a motion for reconsideration may be filed. The motion must be received by the Commission within 15 days from the date of this order. The motion shall state the particular points of fact or law allegedly overlooked or misapprehended by the Commission, and shall not reargue the merits of the order.

For further explanation, refer to Florida Administrative Code Rule 38D-15.005.

It is so ordered. SLOAN and POOLE, Commissioners, concur.

Zane Nutter, Key West, representative for City of Key West. Stanley Lichtman, Miami, representative for Teamsters Union.

On September 11, 1989, the Commission issued a final order in the above-styled case. As a result of a scrivener's error, the certification number referenced in that order is incorrect. The correct certification number is Certification No. 526. Further, since Commissioner Sloan did not participate in the final order, his name is removed therefrom.

It is so ordered.

PUBLIC EMPLOYEES RELATIONS COMMISSION

TEAMSTERS LOCAL UNION 769
AFFILIATED WITH THE
INTERNATIONAL BROTHERHOOD
OF TEAMSTERS,

Petitioner,

Case No. UC-2008-037

٧.

ORDER CLARIFYING CERTIFICATION 526

CITY OF KEY WEST,

Respondent.

Order Number: 08E-255

Date Issued: October 27, 2008

D. Marcus Braswell, Jr., Coral Gables, and Stan Orr, Miami, attorneys for petitioner. Sandy Gilbert, Key West, representative for respondent.

On October 7, 2008, a Commission hearing officer issued a recommended order in which he concluded that the unit clarification petition of Teamsters Local Union 769 affiliated with International Brotherhood of Teamsters (Local 769) should be granted. Consistent with that conclusion the hearing officer recommended that the newly-created classifications of transfer station operator, administrative assistant II – solid waste, transfer station mechanic, and scale/tipping floor attendant be included in a bargaining unit of City of Key West (City) employees defined in certification 526.

On October 17, the City filed an exception to the hearing officer's recommended order. The City does not object to the inclusion of the four classifications named above in the unit. Rather, it complains of what is apparently a scrivener's error in naming the classifications in the existing unit. The hearing officer included in the unit description the classifications of citizen liaison coordinator I and liaison coordinator II, which the City

asserts are not part of the unit. Further, the City points out that the hearing officer ornitted the classifications of citizen liaison, coordinator I, and coordinator II, which the City claims are in the existing unit. Reference to the most recent order clarifying certification 526 verifies the City's claim.

Accordingly, we grant both the petition and the City's exception. We adopt the hearing officer's recommended order with the exception of the unit description and substitute the following:

INCLUDED: Accounting Clerk II, Accounting Clerk III, Administrative Assistant I, Administrative Assistant II – Solid Waste, Administrative Assistant II (other than Administrative Assistant II – Police Department and Administrative Assistant II – Finance Department), Chief License & Collections Officer, Citizen Liaison, Clerk Typist II, Communications Officer I, Communications Officer II, Communications Technician (PBX Operator), Coordinator I, Coordinator II, Courier, Human Resources/Risk Management Clerk, Inspectors, Lead Records Clerk, License & Collections Officer, Main Frame Computer Operator I, Main Frame Computer Operator II, Parking Enforcement Specialist, Records Clerk, Scale/Tipping Floor Attendant, Secretary Substitute/Floater, Secretary I, Secretary II, Secretary III, Sewer Dispatcher, Sexton, Supervisor of Revenues, Transfer Station Mechanic, and Transfer Station Operator.

EXCLUDED: Administrative Assistant II – Finance (a/k/a Executive Assistant I – Finance), Administrative Assistant II – Police Chief (a/k/a Executive Assistant I – Police Chief), Assistant Director, Executive Assistant II – Assistant City Manager, Executive Assistant II – City Manager, and all other employees of the City of Key West.

This order may be appealed to the appropriate district court of appeal. A notice of appeal must be received by the Commission and the district court of appeal within **thirty** days from the date of this order. Except in cases of indigency, the court will require a filing fee and the Commission will require payment for preparing the record on appeal.

Further explanation of the right to appeal is provided in Sections 120.68 and 447.504, Florida Statutes (2008), and the Florida Rules of Appellate Procedure.

It is so ordered. RAY, Chair, KOSSUTH, JR., and VARN, Commissioners, concur.
