

**Historic Architectural Review Commission
Staff Report for Item 3**

To: Chairman Bryan Green and Historic Architectural Review
Commission Members

From: Enid Torregrosa, MSHP
Historic Preservation Planner

Meeting Date: July 28, 2015

Applicant: Carlos Rojas, Architect

Application Number: H15-01-0776

Address: #818 Fleming Street/ #1 Scheppens Lane

Description of Work:

Proposed elevated rear deck over two sawtooth structures.

Site Facts:

The proposed project will be for one of five buildings hotel complex located at #818 Fleming Street. The complex sits on a corner lot facing Fleming Street and Scheppens Lane. The elevated deck is for the building historically known as #1 Scheppens Lane, which is a contributing resource to the historic district. The one and a half-story frame vernacular structure was built circa 1915. According to graphic evidence, #1 Scheppens Lane historically had a one story back sawtooth to the main house. An existing second sawtooth addition, located to the right side of the historic sawtooth was built approximately eleven years ago. In 2008, the Commission denied an application for the demolition of the existing sawtooth's roofs for the construction of a new roof deck. In 2009, the Commission approved plans for the construction of a roof deck over the existing sawtooth but the project was never build.

Guidelines Cited in Review:

- Roofing (page 26), specifically guideline 4.
- Widow's walks and roof decks (page 28a), specifically first paragraph.

- Additions and alterations/ New construction (pages 36-38a); specifically guidelines for additions and alterations 1, 3, and 4. Guidelines 4 and 5 of page 38a for new construction.

Staff Analysis

The Certificate of Appropriateness in review proposes a roof deck over two existing sawtooth structures, one of them historic. The roof deck will be on the back of the house with proposed dimensions of 22'-2" depth by 24'-2" wide. The lower deck beam will be approximately 6" over the sawtooth's ridge and will have a maximum height from grade of 19'-2" including the railings. The new structure will be made of wood and wood clad steel framing. The access stairs to the roof deck will be on the exterior, towards the south side of the building.

Consistency with Cited Guidelines

The current proposal includes the addition of a roof deck that will obscure a historic sawtooth, which is a character defining element to the contributing building. Although the majority of the proposed roof deck will not be visible from the right-of-way, part of the north side railings will be visible from the lane. Staff opines that the addition is incompatible in scale and proportion to the one and a half-story historic house. In addition, the top of the railings is at the same height as the main roof's eaves. Staff finds the proposed roof deck over an existing historic sawtooth not an appropriate and not a sensible addition.

It is staff's opinion that the proposed roof deck fails many of the cited guidelines. The roof deck will obscure a historic sawtooth and its relation to the main building, altering a character-defining element of the contributing building.

Boundary Survey Report of Part of Lot 2, Square 47 Island of Key West, Florida

NOTES:

1. The legal descriptions shown hereon were furnished by the client or their agent. This survey does not determine or imply ownership.
2. Underground foundations and utilities were not located.
3. All angles are 90° (Measured & Record) unless otherwise noted.
4. Street address: 816-818 Fleming St.; 822 Fleming St.;
822 Fleming St. Rear & 2 Scheppens Lane, Key West, FL.
5. This survey is not valid without the signature and the original raised seal of a Florida licensed surveyor and mapper.
6. Lands shown hereon were not abstracted for rights-of-way, easements, ownership, or other instruments of record.
7. North Arrow is assumed and based on the legal description.
8. Date of field work: May 15, 2015.
9. Ownership of fences is undeterminable, unless otherwise noted.
10. Adjoiners are not furnished.
11. The Survey Report is not full and complete without the attached Survey Map.

BOUNDARY SURVEY OF: On the Island of Key West, known on William A. Whitehead's map delineated in February, A.D. 1829 as part of Lot Two (2) in Square Forty-seven (47) and bounded as follows: Commencing on Fleming Street at the dividing line of Lots Two (2) and Three (3) of said Square, and running along the line of said Fleming Street, in a Northeasterly direction Forty-eight (48) feet; thence at right angles in a Southeasterly direction and parallel with Margaret Street, Eighty-two (82) feet; thence at right angles in a Southwesterly direction to the dividing line of Lots Two (2) and Three (3), Forty-eight (48) feet; thence along the dividing line of Lots Two (2) and Three (3) to the place of beginning on Fleming Street. 816-818 Fleming Street, Key West, FL

AND ALSO:

On the Island of Key West, known on W.A. Whitehead's Map delineated in February, 1829, as part of Lot 2, Square 47;
Commencing at a point on Fleming Street, distant 105 feet from the corner of Margaret and Fleming Streets and running thence on Fleming Street in a Southwesterly direction 48 feet; thence at right angles in a Southeasterly direction 82 feet; thence at right angles in a Northeasterly direction 48 feet to an alley; thence at right angles in a Northwesterly direction along the line of said alley 82 feet to the Point of Beginning.
822 Fleming Street, Key West, FL

AND ALSO:

A parcel of land on the Island of Key West, Monroe County, Florida, being a part of Lot 2, Square 47, of William A. Whitehead's Map of the said Island and being more particularly described as follows:
Part of Lot Two (2) in Square Forty-Seven (47), commencing at a point Eighty-Two (82) feet from the Southeasterly line of Fleming Street on a certain alleyway known as Scheppens Lane, and running thence along the line of said alleyway in a Southeasterly direction Thirty-Two (32) feet; thence at right angles in a Southwesterly direction Ninety-Six (96) feet; thence at right angles in a Northwesterly direction and parallel with said alleyway Thirty-Two (32) feet; thence at right angles in a Northeasterly direction Ninety-Six (96) feet to the point of beginning.
822 Fleming Street, Rear, Key West, FL (a/k/a Scheppens Lane Parcel)

AND ALSO:

On the Island of Key West, known as a part of Lot 2 in Square 47, more particularly described as follows:
Commencing at a point 114 feet from the Southeasterly line of Fleming Street, on a certain alleyway known as Scheppen's Lane and running thence along the line of said alley-way in a Southeasterly direction 16 feet; thence at right angles in a Southwesterly direction 96 feet; thence at right angles in a Northwesterly direction and parallel with said alley-way 16 feet, thence at right angles in a Northeasterly direction 96 feet to the Point of Beginning.

ALSO:

On the Island of Key West, known as William A. Whitehead's map of said Island delineated in February AD 1829, as a part of Lot 2 in Square 47 but now better known and described in a diagram of Asa Weatherford's and is numbered therein as lot or subdivision 10. COMMENCING 105 feet from the corner of Fleming and Margaret Streets and 130 feet from Fleming Street on a certain alley as the point of beginning and running along said alley 7 feet; thence at right angles in a Southwest direction 96 feet; thence at right angles and parallel with Margaret Street in a Northwesterly direction 7 feet thence at right angles in a Northeasterly direction 96 feet back to the Point of Beginning.
