Subject: rezoning of 801-807 Fleming Street

My name is Lynn Banks and I reside at 800 Fleming Street. Once again, as I wrote to you on July 4, I am asking you to vote NO on the zoning change at 801-807 Fleming St.

The only benefit from this change would be to the property owner who, at this time, does not reside at this location. i believe the property is open to transient rentals and i implore you to leave this property designated as it stands today.

Please do not allow a commercial business in the middle of a beautiful residential neighborhood. Please vote No.

Thank you for your time and attention.

Lynn Banks
