### **Staff Report for Item 7a**

**To:** Chairman Bryan Green and Historic Architectural Review  
Commission Members

**From:** Kelly Perkins, MHP  
HARC Assistant Planner

**Meeting Date:** January 26, 2016

**Applicant:** Matthew Stratton

**Application Number:** H15-01-1795

**Address:** #616 Elizabeth Street

---

### **Description of Work:**

Rehabilitation of front porch and one-story side addition. New covered rear deck. Replacement of jalousie windows with wood true divided windows. Site improvements.

### **Site Facts:**

The house at 616 Elizabeth Street is listed as a contributing resource. First appearing on the 1889 Sanborn map as a one-story building, it has been heavily altered over the years. By 1962, a new two-story cbs addition was constructed in the rear, and by 1965, the entire house was enlarged to two-stories. An exterior staircase and covered second floor porch were added sometime after 1962.

### **Guidelines Cited in Review:**

Guidelines for Building Exteriors (page 24).

Guidelines for Windows (pages 29-30), specifically guideline 3.

Guidelines for Shutters (pages 30-31), specifically guidelines 3 and 4.

Guidelines for Entrances, Porches, and Doors (pages 32-33), specifically guidelines 9, 12, 14, and 16.

### **Staff Analysis**

This Certificate of Appropriateness proposes renovations to a highly altered contributing structure. The building currently has a smorgasbord of siding materials: wood lap siding, novelty siding, T-1 11 siding, and stucco on one cbs addition. The plan proposes to remove the novelty siding, T-1 11 siding, and the stucco, and replace them with wood lap siding to make the structure cohesive. All of the existing jalousie windows will be removed and replaced with wood, true divided light, 2/2 windows with new wood shutters. An inappropriate and non-historic bay window on the south side elevation will be removed. A more appropriate wood front door will replace the existing door.

The exterior staircase will be demolished and rebuilt to code, with very little change to the footprint or size of the proposed staircase. New sliding glass doors will be the new entranceway for the second floor.

The storage shed will also have new wood louvered doors installed and the front porch steps will be rebuilt to code.

### **Consistency with Guidelines**

1. The proposed sliding glass doors will be on the side of the structure, but will be mostly shielded from public view.
2. While not historic, the staircase is the access point for the unit(s) upstairs and needs to meet current safety regulations.

It is staff's opinion that the proposed design is consistent with the guidelines regarding exterior siding, windows, doors, and staircases.

# SURVEY

# Boundary Survey Map of part of Lots 1 & 2, Square 60, Island of Key West

## NOTES:

1. The legal description shown hereon was furnished by the client or their agent.
2. Underground foundations and utilities were not located.
3. All angles are 90° (Measured & Record) unless otherwise noted.
4. Street address: 616 Elizabeth Street, Key West, FL.
5. This survey is not valid without the signature and the original raised seal of a Florida licensed surveyor and mapper.
6. Lands shown hereon were not abstracted for rights-of-way, easements, ownership, or other instruments of record.
7. North Arrow is assumed and based on the legal description.
8. All Concrete and Bricking is not shown..
9. Date of field work: June 24, 2014.
10. Ownership of fences is undeterminable, unless otherwise noted.
11. Adjoiners are not furnished.

**BOUNDARY SURVEY OF:** On the Island of Key West and known on William A. Whitehead's Map of said Island, delineated in February, A.D. 1829, as part of Lots One and Two of Square Sixty and more particularly described as follows:  
**COMMENCING** at a point on Elizabeth Street distant One Hundred Ninety-seven (197) feet four (4) inches from the corner of Southard and Elizabeth Street, thence in a Southeasterly direction Twenty-eight (28) feet, Eight (8) inches; thence at right angles in a Southwesterly direction Seventy-nine (79) feet; thence at right angles in a Northwesterly direction Twenty-eight (28) feet, Eight (8) inches; thence at right angles in a Northeasterly direction Seventy-nine (79) feet to the Point of Beginning.
