RE: 917 Frances Street – Havana Avenue / Easement Request

Dear Mr. Cohen,

Enclosed please find the Easement Application prepared on behalf of Ida Roberts. The Easement Application was originally filed by October 1, 2014 as required by a condition of Planning Board Resolution No. 2014-50. Unfortunately due to constrained financial circumstances, Mrs. Roberts was unable to come up with the application fee and the specific purpose survey to accompany the easement request, and I was advised by Planning Staff that the original application was discarded.

It is my sincere hope that you will accept the application as if it was originally timely filed, despite the missing fee and easement survey and legal description. I am enclosing the redone application, specific purpose survey and the required application fee.

Please feel free to contact me if you have any questions.

Sincerely,

Adele V. Stones

**917 Frances Street Easement**

No comments, other than the 1962 Sanborn Map depicts the back portion of the building that faces Havana Avenue as one story with no walls, just a roof, maybe a porch. In addition, the one-story shed was not depicted in the 1962 Sanborn map. In 1962 Havana Avenue was 20 feet wide.
