Dear Mr. Bradshaw,

On behalf of JLG Industries, Inc., I would like to thank you for the opportunity to submit the following quotation. This letter summarizes the features and pricing for the following:

- 450AJ Articulating Boom Lift. The 450AJ comes standard with the following features:
A 45' Platform Height, A 4ft Articulating Jib, 500 lb Max Capacity, Proportional Controls and Tilt Light and Alarm.

Product

Unit Price

- **JLG 450AJ (Articulating Boom Lift):**
(Package 4 - 4WD / Diesel)

\$ 53,369.23

Options:

- **None:**

\$ 0

Purchase Price (Less Freight):

\$ 53,369.23

Freight Delivered to Key West, FL:

\$ 1,725.00

Total Delivered Price:

\$ 55,094.23

(This is GSA Pricing)

Product Support

- JLG's highly trained and experienced OEM representatives are available toll free at 866-554-7782, or via email at militarysupport@jlg.com. Contact us today to learn more about parts, service, and on site training direct from JLG Industries, Inc.

Freight

- FOB factory. All freight quotes provided are estimates based on current open market shipping rates. Quote assumes delivery on flat bed or step deck trailer to a dock suitable for the weight of the unit. Customer is responsible for unloading of equipment. ES series scissors, Tow Pro series towable lifts, and Triple L trailers require customer supplied forklift for unloading. Pricing does not include shipment in covered trailer or tailgate delivery to ground. Please call to discuss special shipping instructions.

Availability

- JLG will ship the following machines at the times listed below after receiving your order confirmation.

60 - 120 Days

Payment Terms

- Net 30 days. No discount for early payment.

Warranty

- JLG Industries, Inc. ("JLG") warrants its new products made by it to be free from defects in material workmanship for twelve (12) months from the warranty start date. In addition, JLG further warrants the structural elements of each new Boom Lift, Scissor Lift, Vertical Mast, Telehandler, Trailer and Trailer Boom (JLG LiftPod Product excluded) made by it, as defined in its then current warranty policies and procedures, to be free from defects in material or workmanship for five (5) years from the warranty start date.
- Extended warranty pricing available upon request on select models.

Once again we thank you for providing JLG Industries, Inc. the opportunity to provide this proposal for our products and services. The proposal is valid for (30) days from the date of this letter.

Sincerely,

Michael A. Sak
