Dear Ms. Fitzgerald,

On March 1st, 2016, the Citizen Review Board (CRB) received a copy of the letter sent to Chief Donald Lee of the Key West City Police Department whereas the Department of Justice states "After careful consideration, we concluded that the evidence does not establish a prosecutable violation of the federal criminal civil rights statutes. Accordingly, we have closed our investigation".

The CRB would like to have any report, recommendation, or memorandum that was generated by your department as part of the investigation of your matter. The CRB is requesting this information so that the Board can make an informed decision on whether to close its current open investigation into this matter or to conduct further inquiries.

The CRB realizes that the conclusion and closed status of your investigation has just be completed, but would appreciate a response to this request as soon as possible so the Board can move forward with this matter for the Citizens of the City of Key West. The CRB appreciates your timely attention to this request.

Respectfully,

Larry T. Beaver
Executive Director
