N A R R A T I V E 1	Topic ORIGINAL
	<p>On Monday, February 15th, 2016 at about 1632 hours, Officers were dispatched to 3333 Duck Avenue, Apt A207, in reference to an Armed Burglary. KWPD COM1 advised the victim, later identified as Reinaldo Rodriguez, was inside the apartment. Rodriguez stated to KWPD COM1 the suspect, later identified as James Beach, was Armed with a Knife and was attempting to kick open the front door. Rodriguez stated to KWPD COM1 that Beach had smashed the window and had gained entry. KWPD COM1 then advised the knife was thrown and they could hear some type of struggle.</p> <p>Upon my (Officer Julio Gomez) arrival, I activated my body camera and saw a group of individuals standing outside the "A" building, one of them being Rodriguez. I asked where the suspect was and Rodriguez replied "upstairs". As I ran up the stairs I asked for his name, Rodriguez replied "James". As I ran up the stairs I saw blood on the door to Apartment A207. I removed my firearm from the holster and yelled for James to come out of the apartment with his hands up. Officer Deglys Chavarria arrived. I again yelled for James to come out. The front door opened and James came out with his hands raised about head level. James appeared to have blood on his hands and clothing. James was</p>

then given several loud verbal commands to let me see his hands and to get on his stomach. James complied and went down onto his stomach. Officer Chavarria asked for gloves, prior to handcuffing James. Officer Chavarria yelled for James face away and to place his hands behind his back. James then placed his hands behind his back. I provided the gloves and told Officer Chavarria that I would be transitioning. I then holstered my firearm and unholstered my Taser. I told James, if he did not comply he would be Tased. James stood up and started to re enter the apartment. To prevent James from either fleeing or locking himself in the apartment, I deployed my Taser. One probe struck James on his left side, just under the left arm (photographs were taken). The second probe stuck James on the left side, near his waist (photographs were taken). James received one cycle and sustained Neuromuscular Incapacitation Through Probe Deployment. James fell into the apartment and again was given loud verbal commands roll onto his stomach and to place his hands behind his back. Once the cycle was complete, James complied with the request, rolling onto his stomach and placing his hands behind his back. Officer Chavarria was then able to hand cuff James. Once cuffed James was escorted to the KWFD MED unit where photographs were taken and the Taser Probes removed. James' shirt was raised and the signature marks of the Taser probes were photographed. James was then transported to Lower Florida Keys Memorial Hospital for treatment. James had sustained cuts to both hands and a cut under the left arm.

Lt Kathleen Ream and Officer Michael Malgrat had arrived. Once James was removed from the apartment, Officers entered and cleared residence.

I then spoke with Rodriguez who said James had gone to DePoo Hospital for treatment, but was denied admittance. Rodriguez said James returned to his apartment, demanding entry. Rodriguez said James had been drinking and he didn't want to let him in. Rodriguez said James then started yelling and arguing with other individuals that were near the apartment. While downstairs, James used a knife to cut the plastic portion of Rodriguez' Shewinn Bicycle cable lock. The bicycle was locked to the bottom section of the stairwell. It appears as if James cut himself while attempting to cut the cable. There was blood on the cable, bicycle, and ground. James returned to the apartment and started kicking the front door. Rodriguez said he then telephoned the police for help. Rodriguez said James went to the bedroom window where he ripped off the window screen. Rodriguez said James then tried to open the window. Rodriguez said he struggled to close the window while James was trying to force it open. Rodriguez said he was able to close the window, then lock it. Rodriguez said James returned to kicking the front door. James was again denied entry. Rodriguez said James was wielding a knife and used the knife handle to smash the bedroom window. Rodriguez said James then forced his way in by waving the knife at him. Rodriguez said James something to the effect that he wanted to kill people. Rodriguez said he was in fear for his life and as James entered, he forced his way out the same window. Rodriguez said he ran down the stairs and James remained inside the apartment. Rodriguez said the police then arrived.

I spoke with a representative for the West Isle Apartments, in reference to the damage. I was told it would cost about \$350.00 to replace the window and screen. They said that would also include labor.

James was charged with the following:
Armed Burglary of an Occupied Structure
Aggravated Assault
Criminal Mischief
Resisting w/o Violence

Topic SUPPLEMENTAL

On Monday, February 15, 2016 at approximately 16:45 hours, I responded to West Isle Club, 3333 Duck Avenue, apartment A-207, in reference to an armed person. Communications advised that the caller was attempting to keep a male from entering his residence. As communications continued to get information, the caller told them that the suspect broke the window and threw a knife towards him. Ofc. J. Gomez arrived on scene and advised officers that he just tazed the suspect. I arrived on scene just as they finished detaining the white male suspect, later identified as James Beach (04/01/1988). Ofc. D. Chavarria and I escorted Beach to the rescue unit. Ofc. J. Gomez obtained photos of Beach and the tazed area. I then removed the prongs, one from his left side, just below the nipple line and one near the left armpit. The prongs were returned to the cartridge, wrapped with the wire and taped to secure it. I then went up to the apartment and collected several AFIDS, which were located at the front door, on the inside and the outside of the front door. The cartridge and AFIDS were then secured in my patrol vehicle.

I walked through the scene, taking photos of the blood drops and smears. Blood drops were noted at the front of the apartment building on the sidewalk. The drops led up the stairs to the second floor apartments. I noted that the window screen from the victims apartment was on the first floor. The screen frame was bent. I continued following the blood spots, which led to apartment A-207. The window at the top of the steps was broken and small shards of glass were noted on the ground and window sill. I took photos of the window and also of the front door, which had numerous blood smears on it. The smears were also noted the door closest to the latch. I walked into the apartment and noted blood on the inside wall, which led to the bedroom. As I entered the bedroom, I noted that there were several pieces of glass on the bed. The knife was located approximately 3 feet from the window. Photos were obtained and the knife was taken into custody. While walking out of the apartment, I noted two glass pipes on the back of a couch, in plain view. The owner of the apartment told me that they did not belong to him and said that he believed that they belonged to Beach. I took possession of the pipes and put them into property for destruction after Beach told me that they did not belong to him. The knife, the taser cartridge and a disk with photos was put into evidence.

Once Beach was denied entry through the front door, Beach ripped off the screen to the bedroom window. Beach then used the back side of a knife he was carrying to smash a bedroom window. While Beach was attempting to enter the apartment, the Resident (Rodriguez) attempted to use his body to keep Beach out. Beach entered apartment armed with the knife. Rodriguez said this act was done without his permission. Once inside, Beach waved the knife in a threatening manner toward Rodriguez and stated he wanted to kill people. Rodriguez said he was in fear for his life and jumped out the smash bedroom window.

Beach was given several verbal commands to go to the ground and to place his hands behind his back. Beach stepped out of the apartment and went to the ground. Beach then placed his hand behind his back. Prior to being handcuffed, Beach stood up and tried to re enter the apartment. Beach knowingly and willfully opposed by orders to stay on the ground so he could be hand cuffed. Taser was then used. Beach was again given loud verbal commands to get on his stomach and to place his hands behind his back. Beach complied and was handcuffed. Beach was then walked over to the KWFD Med Unit, where the Taser probes were removed. Beach was then transported to the hospital for treatment for the minor cuts he sustained from the knife and window.

Beach was arrested for the following:
Armed Burglary of an Occupied structure
Aggravated Assault
Criminal Mischief
Resisting w/o violence

Beach was then transported to the jail, without further incident.

I swear the above statement is correct and true to the best of my knowledge and belief.
