STAFF REPORT

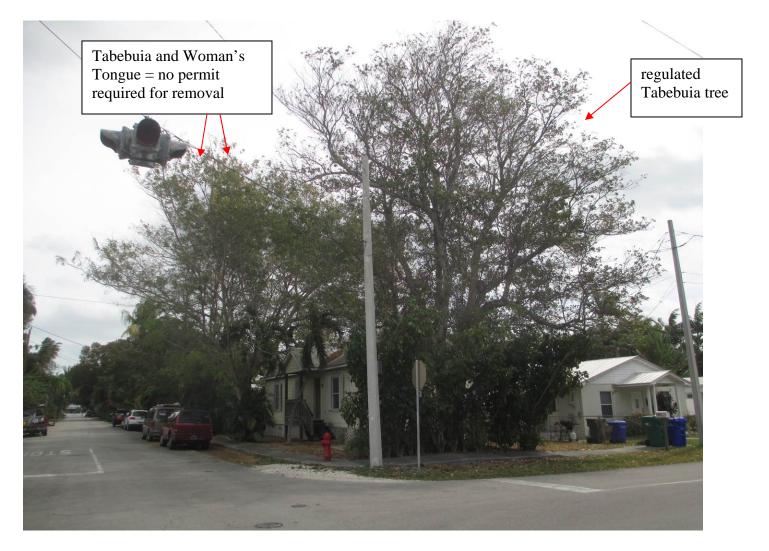

DATE: March 24, 2016

RE: 1401 Grinnell Street (permit application # T16-7856)

FROM: Karen DeMaria, City of Key West Urban Forestry Manager

An application was received requesting the removal of (2) Pink Tabebuia and (1) Woman's Tongue trees. An inspection determined that one of the Tabebuia and the Woman's Tongue tree were both less than 24" diameter and therefore, not subject to regulation as both species are on the not protected list. Therefore, a removal permit is being processed for the removal of **(1) Pink Tabebuia tree**. A site inspection was done on March 21, 2016 and documented the following:

Tree Species: Pink Tabebuia (Tabebuia heterophylla)

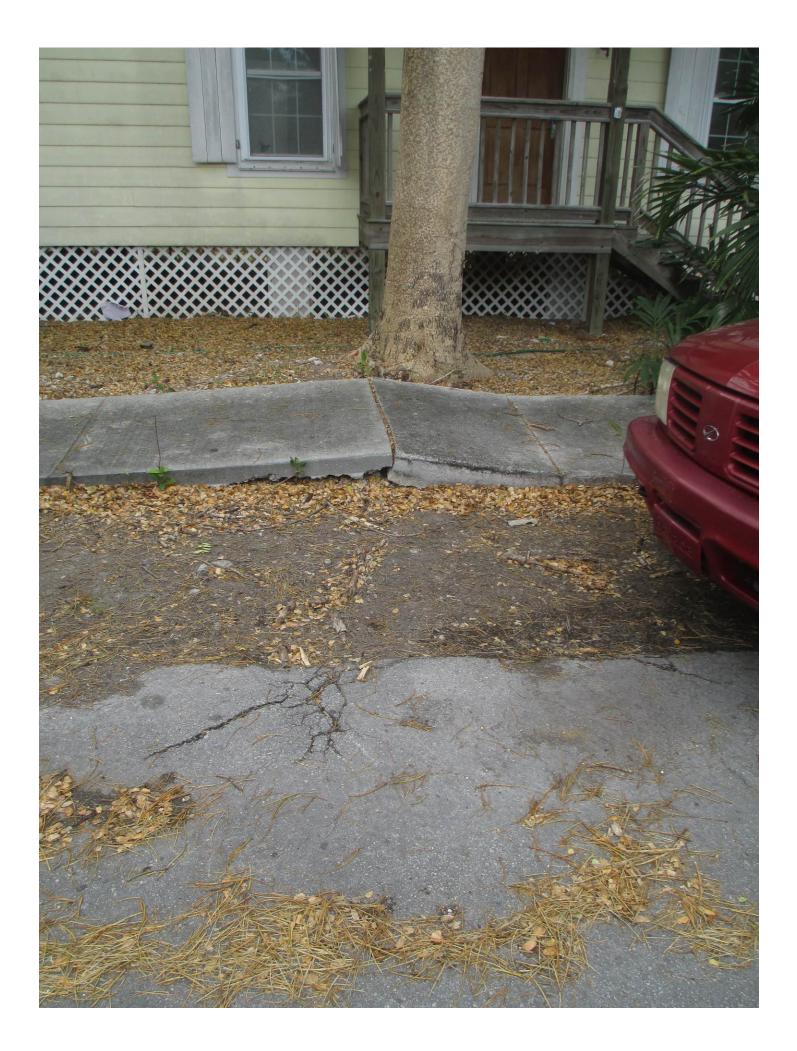

Diameter: 34.7" – 24" = 10.7" Location: 60% (root issues with sidewalks) Species: 0% (on the not protected tree list) Condition: 60% (fair) Total Average Value = 40% Value x Diameter = 4.2 replacement caliper inches Recommendation: Recommend approval of the removal of one (1) Pink Tabebuia tree at 1401 Grinnell Street to be replaced with 4.2 caliper inches of dicot or fruit trees from approved list, FL#1, to be planted on site.

Additional trees on property being removed-NO PERMIT REQUIRED

(1) Woman's Tongue tree 19.7" dbh (<24" dbh npr)

(1) Pink Tabebuia Tree 20" dbh (<24" dbh npr)

Tree Representation Authorization

Date: Fels 24th 2016

Attendance at the Tree Commission meeting on the date when your request will be discussed is necessary in order to expedite the resolution of your application. This Tree Representation Authorization form must accompany the application if the property owner is unable to attend or will have someone else pick up the Tree Permit once issued.

Please Clearly Print All Information unless indicated otherwise.
