Re: April 2016 Monthly Report for Key West Bight

Key West Bight Operations:

- Brick Replacement at the Elizabeth Street Plaza, scheduled for CRA approval on May 17.
- Stantec is developing Seaport Parking Lot Conceptual Plans.
- Trumbo Road Rip Rap project routing for internal review.
- Tetra Tech performed benthic survey of Half Shell Seawall.

Key West Bight Marina:

- April transient dockage was the same as last March.
- Contractors replaced broken joists on D-Dock and replaced old electric transformers with new ones on that dock.
- Two outside pilings from four slips on E-Dock were removed so catamarans can make use of those slips.
- Fuel Dispenser Replacement, scheduled for CRA approval on May 17.
- Dockmaster signs were installed on the front and back of the Thompson Fish House.
- The permit to replace the fuel sign was submitted to Building Department.
- 24,344 passengers passed through the ferry terminal this April compared to 23,814 last April.

Priorities for the Upcoming Month

- Install fuel dock sign
- Receive price quotes for replacement Veeder-Root fuel tank monitoring system at the ferry terminal.
