PLEASE DISTRIBUTE, THANK YOU.

Having lived in this wonderful island city for thirty nine years, I remember the days of City Commissioners at large. In fact, I don't think that the change to single district representation ever worked well, and have always made it a point to talk with all the City Commissioners, as well as the Mayor and City Manager whenever I felt we were facing important decisions.

so YES, I STRONGLY support a return to the policy of allowing all voting citizens to VOICE THEIR CHOICES, and vote on all Commissioners. And yes, do keep the districts as they are.

Many thanks for all your good work on behalf of the City and residents of Key West.

Sincerely,

Chris Stone
