Affordable Sailing In the
Florida Keys

705 Palm Ave. Key West Florida

Our Mission

- * The goal of the Key West Community Sailing Center is to enrich sailing experience and make it accessible to everyone without regard to age, race, gender, creed, place of origin, financial concerns, physical ability or previous experience. We teach the skills that build confidence while having fun! These skills include safety, seamanship, small boat handling, self-reliance, planning & thoughtful decision making, communication, team building and trust. We do this in a relaxed atmosphere where sailors, as well as those wanting to become sailors, can meet to socialize and have fun.
