

# STAFF REPORT

DATE: June 1, 2016

RE: **729 Olivia Street (permit application # T16-7938)**

FROM: Karen DeMaria, City of Key West Urban Forestry Manager

An application was received requesting the removal of **(1) Spanish Lime tree**. A site inspection was done on May 12, 2016 and documented the following:

Tree Species: Spanish Lime (*Melicoccus bijugatus*)

Tree

Diameter: 74.5"

Location: 70% (in back yard)

Species: 100% (on protected tree list)

Condition: 40% (decay throughout the tree including a hole in the base of one of the trunks, included bark-many individual trunks that have grown together)

Total Average Value = 70%

**Value x Diameter = 52 replacement caliper inches**

Spanish Lime is a hard wood and many trees with a lot of decay survive for many years with no issues. The extent of the interior decay areas is unknown.

This tree was recently trimmed by an arborist (permit issued for heavy maintenance trimming).
