Mark,

Nice speaking with you.

It is my understanding that your board meeting to approve the bus purchase is scheduled for October 19, 2016 and should the board approve the purchase you are requesting some additional time to process the purchase order.

That said, Gillig is pleased to be able to extend the validity date of the quote issued on September 19th until October 31, 2016.

Should you have additional questions, please contact me.

Bets Regards
