Charles,

I've performed the requested structural inspection for the 224 Duval St balcony today 05-17-2016.

Several locations at the balcony require immediate attention and are in critical condition. Please inform the owners that following areas shall be blocked-off from any access by the staff and clients.

- 1) Entire side along Caroline St.
- 2) Half spans as shown on the attached diagram - at brackets #14 and #15 as shown and numbered.

Also attached is an example of the bracket attachment in critical condition.

Other brackets are in poor but satisfactory condition and shall be monitored while we work on the structural details for repairs.

Let me know if you have any questions.

Sincerely,

Serge Mashtakov P.E.
President
