**Subject:** RE: Public Hearing - Special City Commission Meeting concerning Requests for Additional Vehicle for Hire Licenses related to Section 78, City of Key West Code of Ordinances

Commissioner Kaufman,

I support ride sharing programs and my guests ask for it every day.

The business model for these programs tends to make use of existing vehicles and existing citizens so there shouldn't be a large impact on our traffic. With nearly 1,000 added hotel rooms in the past two years in the Key West / Stock Island market, we need a solution that 1) will not create stress on our infrastructure and 2) will service our hotel guests.

Please let me know if I can assist.

Best Regards,  
Clif Taylor
