RE: Truman Waterfront Park Amphitheater and Public Parking Project
Contract ID# 1212; \$2,000,000 in capital funding
Request for time extension to grant award agreement & change in project manager

Dear District I Advisory Committee:

The City of Key West respectfully requests a 1-year time extension to the Grant Agreement Period of the Truman Waterfront Park Amphitheater and Public Parking Project. Currently, the agreement ends September 30, 2016. Approval of the 1-year extension to September 30, 2017 will facilitate project completion as anticipated below:

Milestones	Timeline
Design complete	July 31, 2016
Bids received	September 30, 2016
Bid Award/Contract Execution	November 30, 2016
Begin construction	December 31, 2016
Construction complete/contract close out	September 30, 2017

Development of the Truman Waterfront Property has been a priority of the City of Key West for over 15 years. The City of Key West Naval Properties Local Redevelopment Authority (LRA) has taken action on several items in more recent years critical to the development of this property: obtained the services of a Professional Landscape Architectural/Engineering/Architectural/Land Surveyor firm, finalized the Master Plan (including a conceptual design for the Truman Waterfront Park Amphitheater), and approved a Major Development Agreement. Since the execution of Contract ID# 1212, the LRA has authorized Phase I design/preparation of construction bid documents, awarded the bid for the construction of Phase IA, and approved a task order for the design and construction document preparation of the amphitheater.

With as large of an undertaking it has been to move forward with the development of the Truman Waterfront Property, an additional 12 months are needed to complete the amphitheater component of the project. Information provided in a report prepared by the design consultant titled "Truman Waterfront Park Amphitheater Programming & Budget Development Assessment Draft Report" and discussions with professional stage management, amphitheater operators, the City Planning Department and the Mayor of Key West, have led to the direction Engineering was given to provide an Amphitheater Facility for a construction budget of \$4,000,000.00. The approval of the time extension will allow for the construction of this project.

In addition to the time extension request, the City is notifying the TDC of a change in project manager. The new Project Manager for the Truman Waterfront Park Amphitheater and Public Parking Project is James Bouquet. He may be contacted at telephone (305) 809-3962; email: jbouquet@cityofkeywest-fl.gov, 3140 Flagler Avenue, Key West, FL 33040.

Thank you for considering our request for additional time to construct this project. If you have any questions about our proposed timeline, please don't hesitate to contact me (305) 809-3741 or via email csheldon@cityofkeywest-fl.gov.

Sincerely,

ACTION STATEMENT:

This resolution will ratify the acceptance of the attached Tourist Development Council (TDC) Inter-local Grant Award Agreement for the Truman Waterfront Park Amphitheater and Public Parking Project in the amount of \$2,000,000.00 and approve the attached *1st Amendment to Agreement* to extend the termination date to September 30, 2017.

BACKGROUND:

The City of Key West submitted an application on April 29, 2013 for the TDC 2014 Bricks and Mortar Capital Projects funding cycle to support design and construction of the Truman Waterfront Park Amphitheater and Public Parking Project. Grant funding in the amount of \$2,000,000.00 was awarded with the Board of County Commissioners approving the inter-local grant award agreement at their October 16, 2013 meeting.

The current termination date of the agreement is September 30, 2016. A request for a time extension to September 30, 2017 (see attachment) was approved by the District I Advisory Committee on March 2, 2016. The time extension request includes milestones and anticipated dates of completion.

PURPOSE AND JUSTIFICATION:

The TDC grant will be used to help fund the design and construction of the Truman Waterfront Park Amphitheater and Public Parking Project as described in Exhibit A of the grant award agreement. The proposed scope of work and cost estimate in Exhibit A of the grant were based on a conceptual plan and represent the best knowledge of the project at the time of the original application. TDC has

been advised the current target total project cost is approximately \$4,000,000.00 of which their cost share is 50% or \$2,000,000.00. TDC will be provided scope and cost estimate details as the design progresses.

FINANCIAL IMPACT:

The design phase, approved by the Local Redevelopment Authority (LRA) under Resolution 15-344, is in progress. Expenditures for the design and construction of this project are budgeted in 101-4303-543-6300/Project TR1502. Revenues are budgeted in 101-0000-3377-001.

RECOMMENDATION:

Staff recommends the City Commission ratify the acceptance of the attached Tourist Development Council (TDC) Inter-local Grant Award Agreement for the Truman Waterfront Park Amphitheater and Public Parking Project and approve the attached 1st Amendment to Agreement to extend the agreement termination date to September 30, 2017.

NOW, THEREFORE, in consideration of the mutual covenants and payments contained herein, the Grantee and the Grantor have entered into this agreement on the terms and conditions as set forth below.

1. **GRANT AGREEMENT PERIOD.** This agreement is for the period of **October 16, 2013 through to September 30, 2016**. This agreement shall remain in effect for the stated period unless one party gives to the other written notification of termination pursuant to and in compliance with paragraphs 7, 12 or 13 below.

2. **SCOPE OF AGREEMENT.** The representations made by the Grantee in its proposal submitted to the TDC are incorporated herein by reference. The Grantee shall provide the following scope of services: Materials and labor required to complete the Truman Waterfront Park Amphitheater and Public Parking project. Segment(s) of the work is/are more particularly described in Exhibit(s) A, detailing the work and the cost allocable to each segment, attached hereto, and incorporated herein by reference. **Anything not referenced within exhibit A will not be reimbursed.** All work for which grant funds are to be expended must be completed by the stated termination date of **September 30, 2016** and all invoices pertaining to this project shall be submitted to the Finance Department of Monroe County no later than **September 30, 2016** to be considered for payment. If the Grantee has already complied with

this requirement through previous funding, said acknowledgement fulfills this condition. A photograph of said acknowledgment shall be provided with the final request for reimbursement outlined in Exhibit A of this agreement.

a.) There shall be a project manager to acknowledge receipt of goods or work performed. This Project Manager shall be Bob Vitas, City Manager, 3132 Flagler Ave, Key West, FL 33040 (email: bvitas@keywestcity.com /Tel: (305) 809-3888). b.) If, and to the extent that, Grantee contracts for any of the work funded under this agreement to be performed or completed, Grantee shall give notice to County of the contractual relationship, provide County with a copy of any and all contracts and shall require the contractor(s) to comply with all the terms of this contract. Should Grantee contract the work and then decrease the scope of work to be performed by a contractor, Grantee shall provide County with an amended contract executed by Grantee and its contractor.

(i) A Grantee which is a governmental entity shall comply with the procurement regulations and policies to which it is subject, and shall provide Grantor documentation of the procurement requirements applicable to the project and compliance therewith.

(ii) A Grantee which is a not-for-profit entity shall use procurement processes for those parts of the project to be contracted (not performed by the entity's employees) as follows. Payment shall be 50% (fifty percent) reimbursement of the total cost of the segment, subject to the cap on expenditures for that segment as set forth in Exhibit A. Reimbursement can be sought after each segment of the agreement is completed and signed by the Monroe County Engineering Department as outlined in 3.a. The Board of County Commissioners and the Tourist Development Council assume no liability to fund this agreement for an amount in excess of this award. Monroe County's performance and obligation to pay under this agreement is contingent upon an annual appropriation by the BOCC.

a.) Payment shall be made upon the completion of a specific segment as outlined in the Scope of Services and Exhibit A. Payment for expenditures permissible by law and County policies shall be made through reimbursement to Grantee upon presentation of Application for Payment Summary, AIA Document G702 or similar certification as required below for governmental entities and not-for-profit entities, invoices, canceled checks and other documentation necessary to support a claim for reimbursement. Included in said documentation shall be proof that the Grantee has received the property, realty or personally, for each segment of agreement as outlined in Exhibit A and paid an amount equal to or greater than the amount invoiced to the Grantor. All submissions for payment shall have a proposed schedule of values for segment(s) and indicate the percentage of completion of the overall project as of the submission. This document should be signed by the project architect, engineer, general contractor or project manager. Photos of the progress of the work shall also be submitted with the payment application. Said documentation should include invoices, bills of lading, etc., and be verified as received and applied to the project through a notarized statement of the project architect, engineer, general contractor or project manager. The receipt and application to the project of volunteer labor are to be documented and verified by notarized signature of the project architect, engineer, general contractor, or project manager, and said documentation submitted to the TDC Administrative Office. All submissions shall identify the items included in Exhibit A and Grantee shall complete the Application for Payment form which is provided within the payment/reimbursement kit provided to the Grantee, listing the schedule of values which are sought to be reimbursed and shall indicate the percentage of completion of the overall project as of the submission. This document should be signed by the project architect, engineer, general contractor or project manager.

Photographs showing progress on project shall be included in any payment request. The Project Manager shall certify delivery to the project site and installation therein of any goods or services provided other than through an architect, engineer or contractor. All work performed and goods received on site and incorporated into the project shall be verified by one of the foregoing. Submission of any documentation which is untrue, falsified, or otherwise misrepresents the work which has been completed, paid, or donated shall constitute a breach of agreement, for which breach the contract may be immediately terminated at the discretion of the County, whose decision shall be final.

c.) Grantee must submit all documentation for final payment on or before the termination date of this grant of **September 30, 2016**. Invoices received after **September 30, 2016** will not be considered for payment.

d.) At any time that the documentation requirement policies of Monroe County are revised, such as to require annual inventory reports for equipment purchased under a TDC capital project grant, Grantee shall comply thereafter with such increased requirements, or further funding under the agreement may be terminated by County.

e.) Upon successful completion of this Grant agreement, the Grantee may retain ownership of the real and personal property acquired and/or improved with funding under this Grant agreement. However, the Grantee shall maintain, preserve, and operate the property which was acquired or improved under this agreement for the uses and purposes which qualified the Grantee for tourist development tax funding. Grantee shall complete and sign a Property Reporting Form (provided within payment/reimbursement package) for personal property and forward said completed form with the appropriate invoice to the TDC Administrative Office. Real property acquired or improved through funding under this agreement shall remain dedicated for the purposes set forth herein or for other purposes which promote tourism and ownership of said property shall be retained by the Grantee. The following terms shall apply:

(i) The Grantee shall have the use of the property, including both realty and personally acquired with funding under this agreement, at the project site for so long as the facility is operated by Grantee, open to the public, and has a primary purpose of promoting tourism. At such time as any of the conditions in the preceding sentence shall cease to exist, the Grantee shall transfer ownership and possession of equipment and personal property to a local government or another not-for-profit organization which is a facility for which tourist development taxes may be used pursuant to Florida Statute with prior approval from TDC and BOCC.

(ii) At any time that the Grantee: (a) elects to stop the project or otherwise decide not to place into service for tourist-related purposes the facility acquired, constructed, or renovated with tourist development tax funding, (b) demolishes the project facility or divests itself of ownership or possession of the real property, or (c) ceases the use of the property with a primary purpose of promoting tourism, Grantee shall, pursuant to the formula set forth hereafter, refund to the County the Tourist Development funding. This provision shall survive the termination date of all other provisions of this contract for a period of ten years. Should the demolition, transfer of ownership, or change to a non-tourist related purpose occur after the facility has been used for tourist-related purposes for at least three (3) years, the amount of refund shall be pro-rated based on a useful life of ten (10) years.

(iii) The Grantee is responsible for the implementation of adequate maintenance procedures to keep the real and personal property in good operating condition.

- (iv) The Grantee is responsible for any loss, damage, or theft of, and any loss, damage or injury caused by the use of, real or personal property or equipment purchased through funding under this agreement.

4. **RECORDS AND REPORTS.** The Grantee shall keep such records as are necessary to document the performance of the agreement and expenses as incurred, and give access to these records at the request of the TDC, the County, the State of Florida or authorized agents and representatives of said government bodies. The Grantee shall also provide such access to the personal property and equipment purchased under this agreement. It is the responsibility of the Grantee to maintain appropriate records in accordance with generally accepted accounting principles consistently applied to insure a proper accounting of all funds and expenditures. The Grantee understands that it shall be responsible for repayment of any and all audit exceptions which are identified by the Auditor General for the State of Florida, the Clerk of Court for Monroe County, the Board of County Commissioners for Monroe County, or their agents and representatives. In the event of an audit exception, the current fiscal year grant award or subsequent grant awards will be offset by the amount of the audit exception. In the event the grant is not renewed or supplemented in future years, the Grantee will be billed by the Grantor for the amount of the audit exception and shall promptly repay any audit exception.

- a.) **Public Access.** The County and Grantee shall allow and permit reasonable access to, and inspection of, all documents, papers, letters or other materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Grantee in conjunction with this agreement; and the County shall have the right to unilaterally cancel this agreement upon violation of this provision by Grantee.

5. **MODIFICATIONS AND AMENDMENTS.** Any and all modifications of the terms of this agreement shall be only amended in writing and approved by the Board of County Commissioners for Monroe County. The terms, covenants, conditions, and provisions of this agreement shall bind and inure to the benefit of the County and Grantee and their respective legal representatives, successors, and assigns.

6. **INDEPENDENT CONTRACTOR.** At all times and for all purposes hereunder, the Grantee is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this agreement shall be construed as to find the Grantee or any of its employees, contractors, servants or agents to the employees of the Board of County Commissioners of Monroe County, and they shall be entitled to none of the rights, privileges or benefits of employees of Monroe County.

- a.) **No Personal Liability.** No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this agreement or be subject to any personal liability or accountability by reason of the execution of this agreement.

7. **COMPLIANCE WITH LAW.** In carrying out its obligations under this agreement, the Grantee shall abide by all statutes, ordinances, rules and regulations pertaining to or regulating the provisions of this agreement, including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules or regulations shall constitute a material breach of this agreement and shall entitle the Grantor to terminate this agreement immediately upon delivery of written notice of termination to the Grantee.

8. **RESTRICTIONS ON AGREEMENTS ENTERED PURSUANT TO THIS AGREEMENT.** The Grantee shall include in all agreements funded under this agreement the following terms:

Exhibit B

Truman Amphitheater

June 2013

The overall vision of the Open-Air Truman Amphitheater is to create a one of a kind experience for a variety of outdoor events & venues for both the residence of Key West and tourists alike. The Amphitheater is designed to offer a wide array of small performances such as jazz, dance, chamber music, theater, pop music, and family events year round. The design includes a dynamic elliptical structure that is carefully integrated into the parks landscape and shaped terrain so that building and landscape become one.

The elliptical shaped one story amphitheater building houses both the outdoor stage along with a series of back of house functions including dressing rooms, storage, loading, bathrooms for both the general public and performers as well as concession and ticketing spaces. The amphitheater building totals approximately 4,000 square feet; 1,200 square feet dedicated to the stage and 2,800 square feet dedicated to all back of house / support spaces.

The roof consists of an elliptical sloped "disk" that overhangs beyond the building's footprint supported by a ring of cantilevered steel beams. This offers a column free stage and support area to maximize spatial and functional flexibility. The stage is approximately 3 feet above grade and the overall roof structure is no higher than 35 feet. To pay homage to the rich Naval history at the Truman Waterfront Park, there are (3) three "conning tower" supports that rise above the roof carrying both flap poles and rods to support the roof.

Directly in front of the stage is 250 fixed seats that are slightly depressed from the open lawn to insure unobstructed views no matter where you are sitting or standing.

The building has been carefully placed between a gentle curving "green wall" and the open seating lawn which is bounded by a curved landscaped berm. Both the green wall and berm "encapsulate" the overall amphitheater which functionally provides both sound and crowd control while giving a sense of privacy and intimacy to the overall experience.

The green wall "hugs" the backside of the amphitheater building and becomes a functional "green wall" with openings for ticketing and food & beverages concessions. Beyond the building the green wall becomes the primary entrance into the open seating lawn and berm, shutting out the adjacent street and parking lots.

The Truman Park Theater is designed to provide an opportunity for a wide range of events from small high school and community events to larger live entertainment and performance venues attracting both tourists and locals from a regional base.
