Marshall:

During review of the revised D.L. Porter Constructors, Inc. proposal package received by the City on 12/16/2016, the percentage of work to be performed by Discount Rock & Sand, Inc. is not stated on Page 7 of 9. Note that the total percentage of work performed by Subcontractors and Porter (page 6 of 9) must add up to 100%. Please provide a revised page 7 of 9 of the PROPOSAL to me by 1/6/2017.

In addition, the original revised page needs to go to City Clerk along with a transmittal cover describing the corrections as being per the City's request.

Please plan to have a senior representative/officer/principal of D.L. Porter in attendance at the January 17, 2017 City Commission meeting in Key West. The individual should be fully capable of discussing proposed project costs and schedule in detail in response to questions from City Commissioners.
