Cheri

The Mayor is sponsoring a resolution on the February 7th agenda nominating his brother Kevin Cates to the Pension Board. Both Ron Ramsingh and I have reviewed the voting conflict law and determined that there is not an ethical conflict under the law. Ron has also consulted with the Commission on Ethics attorney and he concurs. Accordingly the item may proceed to the Commission for consideration.

Additionally, attached is a letter of interest recently received from Raymond Casamayor. Mr. Casamayor is being nominated by Commissioner Wardlow for the same position the Mayor is nominating Mr. Cates. I've asked Mr. Casamayor for a resume that you can link along with the letter to the Pension Board resolution.
