Ms. Susy Pita
Plan Administrator

Dear Ms. Pita:

I am sending this to you today to express my interest in serving on the Pension Board of Trustees. I understand that Chairman Fahey has resigned from his Commission Appointed position and I am actively seeking an appointment to fill this vacancy.

I have been retired from the Key West Fire Department for 11 years and have remained in my hometown actively monitoring the Plan and keeping in touch with the retirees that I would be most honored to represent.

Please feel free to contact me if you have any questions or need additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Raymond Casamayor, III". The signature is fluid and cursive, with a large, stylized "R" and "C".
