Subject: The Larsen Home

I own the property at [726 Olivia Street in Key West](#). My property blocks the view from Olivia Street of the Larsen's cottage which is on their property located at 726 1/2 Olivia. I am aware that the Larsens are proposing to remove the existing cottage due to termite damage and rebuild a new cottage of similar design. I am also aware that the Larsens are proposing to move the new cottage 5' off of the property line between our two properties.

I have no objections to Larsens proposed cottage removal and rebuild.
