**SECTION 3. RE-IMPOSITION OF SOLID WASTE COLLECTION AND
DISPOSAL ASSESSMENTS.**

- (A) The parcels of Assessed Property described in the Assessment Roll, which is hereby approved, are hereby found to be specially benefited by the City's provision of Solid Waste collection and disposal services, facilities or programs described in the Preliminary Rate Resolution, in the amount of the Solid Waste Service Assessment set forth in the updated Assessment Roll, a copy of which was present at the above referenced public hearing and is incorporated herein by reference. It is hereby ascertained, determined and declared that each parcel of Assessed Property within the City will be benefited by the City's provision of Solid Waste collection and disposal services, facilities or programs in an amount not less than the Solid Waste Service Assessments for such parcel, computed in the manner set forth in the Preliminary Rate Resolution. Adoption of this Annual

Rate Resolution constitutes a legislative determination that all parcels assessed derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Ordinance, the Initial Assessment Resolution, the Final Assessment Resolution, and the Preliminary Rate Resolution from the Solid Waste Management Services to be provided and a legislative determination that the Solid Waste Service Assessments are fairly and reasonably apportioned among the residential properties that receive the special benefit as set forth in the Preliminary Rate Resolution.

(B) The method for computing Solid Waste Service Assessments described in the Preliminary Rate Resolution is hereby approved.

(C) For the Fiscal Year beginning October 1, 2017, the Solid Waste Cost shall be allocated among all parcels of Assessed Property, based upon each parcels' classification as Residential Property and the number of Dwelling Units for such parcels. The Solid Waste Cost for Fiscal Year 2017-18 is estimated to be \$4,291,583. The rate of assessment for each Dwelling Unit for Solid Waste collection and disposal services, plus any delinquency or past due amounts attributable to each Dwelling Unit for Solid Waste services and facilities provided for Fiscal Year 2017-18 is \$305.63. The maximum rate of assessment for each Dwelling Unit for Solid Waste collection and disposal services, plus any delinquency or past due amounts attributable to each Dwelling Unit for Solid Waste services and facilities provided for future fiscal years is \$393.08.

(D) Any shortfall in the expected Solid Waste Service Assessment proceeds due to any reduction or exemption from payment of the Solid Waste Service Assessments required by law or authorized by the City Commission shall be supplemented by any legally available funds,

or combination of such funds, and shall not be paid for by proceeds or funds derived from the Solid Waste Service Assessments.

(D) The above rates of assessment are hereby approved. Except as otherwise provided herein, Solid Waste Service Assessments for Solid Waste Management Services in the amounts set forth in the updated Solid Waste Assessment Roll, as herein approved, are hereby levied and imposed on all parcels of Assessed Residential Property described in such Solid Waste Assessment Roll for the Fiscal Year beginning October 1, 2017.

Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid.

(F) The amount any Tax Parcel has as an outstanding delinquent Solid Waste Assessment as of August 2017 for the Solid Waste Assessment imposed is hereby approved and levied on said Tax Parcels. These delinquent Solid Waste Assessments shall be included on the Assessment Roll to be collected along with the applicable rate for that Tax Parcel for the Fiscal Year beginning October 1, 2017.
